- If possible, call 911 on your cell phone. Provide your location, condition of everyone in the vehicle and the problem you're experiencing.
- Follow instructions: you may be told to stay where you are until help arrives.
- Do not hang up until you know who you have spoken with and what will happen next.
- If you must leave the vehicle, write down your name, address, phone number and destination. Place the piece of paper inside the front windshield for someone to see.
