

LAFAYETTE COUNTY BOARD OF SUPERVISORS
October 5th, 2026
5:00 PM

1. Call to Order
2. Approve Agenda
3. Approve minutes of regular meeting September 21st, 2026.
4. Accept jail meal log and affidavit from Jail Administrator per section 19-25-74.

AFFIDAVIT OF JOHNNY MCDONALD

STATE OF MISSISSIPPI

COUNTY OF LAFAYETTE

Before me personally appeared the undersigned, Johnny McDonald, who being known to me and first duly sworn, deposes and says as follows:

1. My name is Johnny McDonald. I am currently the Jail Administrator of the Lafayette County Detention Center. I was appointed to this position by Sheriff F.D. "Buddy" East on June 1, 2013.
2. As required by Miss. Code Ann. § 19-25-74, the Lafayette County Sheriff's Department maintains a log, showing the name of each prisoner, the date and time of incarceration and release, to be posted daily, which shall record the number of meals served to prisoners at each mealtime, and the hours of the day served (the "meal log").
3. I have reviewed invoice numbers 200ABS100006727 and 200ABS100007353 from Summit Foods in the amount of \$7,378.19 and \$7,115.26. These invoices are for the feeding of prisoners from 08/22/2026 to 09/04/2026.
4. To the best of my knowledge, I find this invoice to be a true and correct match to the meal log in accordance with Mississippi Code Annotated § 19-25-74.
5. The meal log is being stored in the County Administrator's office and can be reviewed at any time.

Dated: 09/15/2026

Johnny McDonald

Sworn and subscribed before me this the 15th day of September, 2026.

NOTARY PUBLIC

My commission expires:

September 23, 2026

- b) Adopt resolution acknowledging the ninety-day delinquency list for solid waste accounts per section MS Code Section 19-5-22. (Kate Victor)

RESOLUTION

Upon Motion, Second, and by unanimous vote, a quorum being present, the following Resolution was adopted:

BE IT RESOLVED, pursuant to Senate Bill 2392 (2023), that amended, M.C.A., Section 19-5-22, the Lafayette County Board of Supervisors acknowledges the attached ninety (90) delinquency list ("Delinquency Notice") of its solid waste accounts, and shall provide a copy of this Resolution and attached Delinquency Notice to the Lafayette County Tax Collector no later than the tenth (10th) of this month, to be updated each succeeding month; further, that upon receipt of this Delinquency Notice, the County Tax Collector shall not issue nor renew a motor vehicle road and bridge privilege license for any motor vehicle owned by a person who is delinquent in the payment of their solid waste fees assessed and acknowledged by this Board.

Further, a copy of this Resolution and Delinquency Notice shall be transmitted to the Lafayette County Chancery Clerk, by electronic and other means as appropriate, to permit filing of any liens created by Section 19-5-22 pursuant to Section 1, (6) of the Statute.

Dear Sir/Madam:

The Department of Revenue herewith certifies that **Lafayette** has complied with the criteria set forth in Section §27-39-329(2)(b) Miss. Code Ann. This certification authorizes the county to expend the avails of the (1) mill levy collected for the **2026** roll year and any previous years under the above code sections.

If you have any questions or need additional information, please contact your homestead auditor at (601) 923-7618.

Sincerely,

Lisa Chism

MCDEMA'S MOTTO: 'NUM QUAMNOM PARATUS' NEVER UNPREPARED

MCDEMA 2026 Mid-Winter Emergency Management/Education Conference November 17-19, 2026 IP Casino, Biloxi, MS

The Mississippi Civil Defense Emergency Management Association will hold its 2026 Mid-Winter Emergency Management Education Conference November 17-19, 2026 at the IP Casino, Biloxi, MS. State and local speakers have been secured for the conference with emphasis placed on those topics which can help grow stronger community readiness, response and recovery in Mississippi.

This year's Mid-Winter Emergency Management Education Conference will begin at 1 pm on Tuesday and conclude before noon Thursday. There will be featured topics of interest to county leadership, emergency managers, and first responders across our state. Vendors will have interesting displays, there will be lessons learned sharing and training sessions in a variety of disciplines and fields of practice and the conference will include reports from MCDEMA officers and committee chairs dealing with plans of work for the 2026-2027 fiscal year. Elections for President, Vice President, Secretary/Treasurer and District Representatives will take place at the Business Meeting on Thursday morning, November 19, 2026.

MCDEMA Officers, Board, and Conference Committee have secured a favorable sleeping room rate of **\$69.99 plus tax and resort fee (\$85.88 total) per night**. If you are tax exempt your rate will be **\$76.99**. Attendees may make their reservations by calling **1-877-335-4831**, ask for hotel reservations, identify yourself as a participant of MCDEMA Mid-Winter Education Conference or provide the group code **MEMK26C** before **October 23, 2026**. Check-in time is 4 p.m. and check-out time is 11 a.m.

Tuesday night in Studio B there will be a Welcome Social/Corn Hole Tournament as well as a Domino Tournament and a Spades Tournament. This will allow conference participants to visit with vendors and share some entertainment in support of the MCDEMA Scholarship Program. Participation in the Corn Hole, Domino and Spades Tournaments is encouraged but not required. Donations to the Scholarship fund are always accepted gracefully.

If you have any questions concerning the MCDEMA 2026 Mid-Winter Education Conference please contact:

- n) Approve and execute contract for professional services with Paladin Emergency Services Consulting, LLC/Damon Darsey. (Wes Anderson)

**CONTRACT FOR PROFESSIONAL SERVICES
AGREEMENT BETWEEN THE**

**AND
PALADIN EMERGENCY SERVICES CONSULTING, LLC/ DAMON
DARSEY.**

This Professional Service Contract is made by and between the _____, a public safety agency within Mississippi "City" whose address _____, and Paladin Emergency Services Consulting, LLC and its principle Damon Darsey, M.D. ("Contract Worker"), under the following terms and conditions:

SCOPE OF SERVICES Contract Worker agrees to render the following professional services with respect to the operation of :

- Provide physician-level medical coverage on large events;
- Provide urgent, emergent, operational, and medical contingency planning for large events in _____
- Provide on-line and off-line medical control for EMT's and Paramedics employed by the _____

The _____ agrees to:

- Provide an email address for official use and communication among the agency.
- Provide needed clothing, identification and other items to provide proper identification while on scene.
- Provide radio or authorize radio programming for on-scene emergency communications.

CONTRACT TERM The contract period shall begin on _____ and expire on _____.

CONSIDERATION: The _____ agrees to pay Contract Worker a total amount not to exceed **\$12,000** per year for services rendered pursuant to this Agreement. This will be reviewed annually.

PAYMENT Contract Worker shall be paid via direct deposit to the bank account of their designation.

PAYMODE

These payments shall be deposited into the bank account of the Contract Worker's choice. The City may, at its sole discretion, require Contract Worker to electronically submit time sheets and supporting documentation at any time during the term of this Agreement. Contract Worker understands and agrees that the City is exempt from the payment of taxes. All payments shall be in United States currency.

STATUS OF CONTRACT WORKER Contract Worker shall always be regarded as,

and shall be legally considered, a contract worker and shall at no time act as an agent of the _____. The consideration expressed herein constitutes the full and complete compensation for all services and performances hereunder, and any authorized withholdings or deductions will be deducted from said Agreement sum.

OWNERSHIP OF DOCUMENTS AND WORK PRODUCTS All data collected by Contract Worker and all documents, notes, programs, databases (and all applications thereof), files, reports, studies and/or other material collected and prepared by Contract Worker in connection with this Agreement shall be the property of the _____ upon completion of this Agreement or upon termination of this Agreement. _____ hereby reserves all rights to reports, information, data and all applications thereof and to any and all information and/or materials prepared in connection with this Agreement.

Contract Worker is prohibited from use of the above stated information and/or materials without the express written approval of the _____.

CONFIDENTIALITY Contract Worker agrees to maintain confidentiality at all times regarding any and all information discovered or received in performing the duties and services expressed under this Agreement. All papers, recorded information, documents and copies thereof produced, obtained or disclosed in the course of this contract period shall be maintained confidential at all times by Contract Worker and shall be controlled by the Mississippi Public Records Act. This confidentiality provision shall survive the expiration or termination of this Agreement.

ASSIGNABILITY Contract Worker shall not assign any of his rights or duties arising under this Agreement. The _____ shall not be made Garnishee in any Garnishment proceedings against Contract Worker. Such unauthorized assignment shall automatically terminate this Agreement, and no notice of termination shall be required. Upon termination of this Agreement, pursuant to this paragraph, such payments to Contract Worker as are required by this Agreement shall be made.

APPLICABLE LAW This Agreement shall be governed by, and construed in accordance with, the laws of the State of Mississippi, excluding its conflict of laws provisions, and any litigation with respect thereto, shall be brought in the courts of the State of Mississippi. Contract Worker shall comply with applicable federal, state, and local laws and regulations.

COMPLIANCE WITH LAWS Contract Worker understands that the _____ is an equal opportunity employer that maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful, and Contract Worker agrees during the term of this Agreement that Contract Worker will strictly adhere to this policy in their employment practices and provision of services. Contract Worker shall comply with, and all activities under this agreement shall be subject to, all applicable federal, State of Mississippi, and local laws and

regulations, as now existing and as may be amended or modified during the term of this Agreement.

TRANSPARENCY This Agreement, including any accompanying exhibits, attachments, and appendices, is subject to the "Mississippi Public Records Act of 1983," and its exceptions. See Mississippi Code Annotated §§ 25-61-1 *et seq.* and Mississippi Code Annotated § 79-23-1. In addition, this contract Agreement is subject to the provisions of the Mississippi Accountability and Transparency Act of 2008. Mississippi Code Annotated §§ 27-104-151 *et seq.* Unless exempted from disclosure due to a court-issued protective order, a copy of this executed Agreement is required to be posted to the Department of Finance and Administration's independent agency contract website for public access at <http://www.transparency.mississippi.gov>. Information identified by Contract Worker as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted.

TRADE SECRETS, COMMERCIAL AND FINANCIAL INFORMATION It is expressly understood that Mississippi law requires that the provisions of this Agreement which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction under the applicable provisions of the Mississippi Public Records Act.

REPRESENTATION REGARDING CONTINGENT FEES Contract Worker represents that he has not retained a person to solicit or secure a city contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in Contract Worker's bid or proposal.

REPRESENTATION REGARDING GRATUITIES The bidder, offeror, or Contract Worker represents that they have not violated, are not violating, and will not violate the prohibition against gratuities set forth in Section 6-204 (Gratuities) of the *Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations*.

MODIFICATION OR AMENDMENT This written Agreement embodies the entire agreement between the parties. It constitutes the final expression of the parties' agreement and is a complete and exclusive statement of the terms of that agreement. However, if any modifications, changes or amendments to this Agreement are needed, they may only be made upon mutual agreement of the parties hereto. Any change, supplement, modification or amendment of any term, provision or condition of this Agreement must be in writing and signed by both parties hereto and approved as required by law.

APPROVAL CLAUSE It is understood that if this Agreement requires approval by the Public Procurement Review Board and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review, and if this Agreement is not approved by the

PPRB and/or OPSCR, it is void, and no payment shall be made hereunder.

TERMINATION Either party may terminate this agreement, with or without cause and for any reason, upon forty-eight (48) hours written notice to the other party. Notice to the _____ shall be sent via e-mail to _____. Notice to Contract Worker shall be sent via e-mail to ddarsey@paladinemergncy.com

F
IN WITNESS WHEREOF, the parties have knowingly and willingly covenanted and agreed on this,

- o) Approve and execute agreement with Waggoner Engineering, Inc. (Kate Victor)

**MASTER PROFESSIONAL SERVICES AGREEMENT
BETWEEN
LAFAYETTE COUNTY (MS) BOARD OF SUPERVISORS
AND
WAGGONER ENGINEERING, INC.**

This **GENERAL SERVICES AGREEMENT** (this “Agreement”) is made by and between:

Name: Lafayette County (MS) Board of Supervisors
Address: PO Box 1240, Oxford, MS 38655
Telephone: 662-236-2717
Representative: Kate Victor, County Administrator

(referred to in this Agreement as “Client”)

AND

Name: Waggoner Engineering, Inc.
Address: 143-A LeFleurs Square, Jackson, MS 39211
Telephone: 601-355-9526
Representative: Robbie Lear, Vice President

(referred to in this Agreement as “Waggoner”), in connection with the Master Professional Services (the “Project(s)”), effective as of the _____ day of _____, 2026 (the “Effective Date”).

In consideration of the mutual covenants and promises set forth in this Agreement, Client and Waggoner agree as follows:

1. **SERVICES.** Owner desires to engage Waggoner to perform or furnish professional engineering or other requested services of the type described generally in Exhibit A attached to this Agreement (“Services”). Services will be provided by Waggoner upon receipt of individual task orders issued by Owner (a form of which is attached as Exhibit C). Client may request Waggoner to perform additional services not described in a Task Order (“Additional Services”). Unless agreed otherwise by Waggoner, Client shall compensate Waggoner for Additional Services on an hourly basis using the rates attached to this Agreement as Exhibit B. Waggoner reserves the right to require written authorization by Client prior to performing any Additional Services.
 - (a) **Standards of Practice.** Waggoner will perform the Services described in each Task Order in a manner consistent with the level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions. Waggoner makes no other representation or warranty regarding its Services. Client may not infer any additional or different representation or warranty by Waggoner from any report, opinion, document or other communication made by or on behalf of Waggoner.

- (b) **Changes in Scope of Services.** The Scope of Services described in each Task Order is based on facts known at the time of execution of the Task Order, including, if applicable, information supplied by Client. For some projects involving conceptual or process development services, the Scope of Services may not be fully defined at the time of execution of the Task Order. As the Services progress, facts discovered may indicate the need for changes to the Scope of Services. Changes in the Scope of Services will result in a change in agreed upon compensation if the change in Scope of Services changes the amount of work or expertise required of Waggoner.

2. **COMPENSATION.**

- (a) Client shall compensate Waggoner for the Services provided under each Task Order in the amount and in the manner provided by the Task Order. Client shall also reimburse Waggoner for all reasonable expenses incurred in the performance of the Services, to include printing, travel, lodging and subsistence, and equipment use in accordance with Exhibit B.
- (b) Waggoner will invoice Client monthly based upon the work completed during the billing period, and Client shall pay Waggoner within 30 days after receipt of Waggoner's monthly invoice. Waggoner will submit a separate invoice for each Task Order. Any invoice not paid within forty-five days of receipt shall bear interest at the rate of 1.5% per month in accordance with MISS. CODE ANN. § 31-7-305.
- (c) Waggoner reserves the right to modify its Hourly Rate Schedule as of January 1 of each year that the Agreement is in effect.

3. **TERM OF AGREEMENT; SCHEDULE OF PERFORMANCE.**

- (a) This Agreement shall be effective as of the Effective Date and shall continue, unless sooner terminated in accordance with the provisions of this Agreement, for a period of one calendar year. Unless terminated in accordance with the provisions of this Agreement, this Agreement will automatically renew on each anniversary of the Effective Date for a successive period of one calendar year. Expiration or termination of this Agreement shall have no effect on the Services to be provided under a particular Task Order unless the Task Order is also terminated.
- (b) The schedule for performance of Services under each Task Order shall be set forth in the Task Order. In the event of any delays in performance of the Services to be provided under any Task Order through no fault of Waggoner, Waggoner shall be entitled to an equitable adjustment in compensation to address increased costs of performing the Services.

4. **CLIENT RESPONSIBILITIES.**

- (a) **Information/Reports.** Client shall furnish Waggoner with all applicable reports, studies, site characterizations, regulatory orders and similar information in its possession relating to the Services to be performed by Waggoner under each Task Order. Unless specified otherwise in a particular Task Order, in performing the Services, Waggoner may rely upon Client-furnished information without independent verification.
- (b) **Representative.** Client shall designate a representative who shall have authority to transmit instructions, receive information, interpret and define Client's policies and make decisions with respect to the Services performed or to be performed under each Task Order.
- (c) **Decisions.** Client shall provide all criteria and full information as to Client's requirements for the Services under each Task Order, obtain necessary approvals and permits (unless specified otherwise in the particular Task Order), attend project meetings, provide interim reviews on an agreed-upon schedule, make decisions as to project alternatives, and generally participate in the project to the extent necessary to enable Waggoner to performance the Services in a timely and efficient manner.
- (d) **Access.** Client shall provide Waggoner safe access to the project site and any other premises under Client's control necessary for Waggoner to perform or provide the Services described in each Task Order.

5. **TERMINATION.** Either Client or Waggoner may terminate this Agreement or any Task Order at any time with or without cause upon giving the other party seven (7) calendar days prior, written notice. Client shall pay Waggoner for all Services performed and all costs incurred up to the date of termination within thirty (30) calendar days of the date of termination.

6. **DISPUTE RESOLUTION.** The parties agree to attempt to settle any disputes arising under this Agreement or any Task Order in an amicable manner through discussions between the parties' senior management representatives. If a dispute cannot be resolved in this manner within a reasonable parties of time, the parties agree to submit the matter to non-binding mediation prior to filing any legal proceedings. Mediation shall be conducted in accordance with the mediation Rules of the American Arbitration Association with the parties sharing the cost of the mediator(s) equally. In the event any actions are brought to enforce this Agreement, the prevailing party shall be entitled to collect its litigation costs (including reasonable attorneys' fees and expenses, costs of investigation and other costs of litigation) from the other party.

7. **LIMITATION OF LIABILITY.** Waggoner's liability under this Agreement shall be limited to injury or loss caused by the negligence, gross negligence or willful misconduct of Waggoner and its subcontractors in the performance of the Services to the fullest extent permissible under Mississippi Law.

8. **NOTICES.** Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, one business day after deposit with a nationally recognized overnight courier, delivery fees prepaid, or, if mailed, three business days after deposit in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown below:

Client: 300 North Lamar Blvd.
Oxford, MS 38655
Telephone: (662) 236-2717
Attention: Mr. Brent Larson, President

Waggoner: 143-A LeFleur's Square
Jackson, Mississippi 39211
Telephone: (601) 355-9526
Attention: Mr. Scott Phillips, President/CEO

Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address.

9. **GENERAL PROVISIONS.**

- (a) **Amendments.** This Agreement represents the complete agreement between Client and Waggoner with respect to the subject matter hereof and may only be amended, supplemented, modified or cancelled by a duly executed instrument executed by the party sought to be charged.
- (b) **Third Party Beneficiaries.** Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either Client or Waggoner. Waggoner's Services under this Agreement are being performed solely for Client's benefit, and no other entity, including Client's contractors, shall have any claim against Waggoner because of this Agreement or the performance or nonperformance of any Services under this Agreement.
- (c) **Delays.** If events beyond the control of Client or Waggoner, including, but not limited to, fire, flood, explosion, riot, strike, war, process shutdown, act of God or the public enemy, and act or regulation of any government agency, result in delay to any schedule established in this Agreement, such schedule shall be amended to the extent necessary to compensate for such delay. In the event such delay exceeds 60 days, Waggoner shall be entitled to an equitable adjustment in compensation.
- (d) **Safety.** Waggoner shall have no responsibility for or control over general job site safety of persons other than Waggoner employees.
- (e) **Construction Means, Methods, Techniques.** Waggoner shall not have any responsibility for or control over any contractors means, methods, techniques or sequencing of any work.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized representatives effective as of the date set forth above.

By: Tracy Huffman

Title: Sr. Vice President

Date: _____

SCOPE OF WORK

A. Program Development & Support Services

Waggoner Engineering, Inc. (“Waggoner”) will assist the Lafayette County Board of Supervisors (“County”) with the development and execution of a Strategic Funding & Advocacy Program (“Program”) to advance the County’s priority infrastructure and community initiatives.

The Program will require a consistent and ongoing assessment of County priorities, project readiness, assessment of federal funding opportunities, and legislative activity. Waggoner will work with County leadership to identify and further define priority initiatives, develop appropriate funding and implementation strategies, prepare supporting materials, and coordinate advocacy activities designed to advance those priorities.

The Program will focus primarily on federal funding opportunities, particularly Congressionally Directed Spending and the annual congressional appropriations process, together with federal authorizations and agency funding opportunities where appropriate.

A central objective of the Program will be to position members of the Board of Supervisors to serve as Lafayette County’s principal advocates before Congress, congressional staff, federal agencies, and other governmental decision-makers. Waggoner will provide the strategy, research, funding intelligence, supporting materials, preparation, coordination, and follow-through necessary to make those engagements focused and effective.

Although the Program will be centered primarily on federal funding and congressional engagement, the priorities, messaging, project narratives, exhibits, and other materials developed through this engagement may also be adapted to support the County’s communications with the Mississippi Legislature and state agencies when appropriate.

1. Program Development & Support Tasks

Waggoner will assist the County through the execution of the following tasks and activities:

a. County Priority Development and Strategic Assessment

Engage with the Board of Supervisors, County Administrator, County Engineer, and other designated County representatives to identify, further define, and prioritize County initiatives. Waggoner will engage with the County in developing practical funding and implementation strategies for selected priorities.

b. Federal Funding and Legislative Strategy

Evaluate priority initiatives against applicable federal funding and legislative opportunities, with particular emphasis on congressional appropriations.

Waggoner will assist the County in:

- Developing an annual federal funding agenda;
- Identifying projects appropriate for congressional funding requests;
- Determining appropriate funding amounts and potential appropriations accounts;
- Identifying authorization or other legislative actions that may help advance County initiatives;
- Evaluating complementary federal agency funding opportunities; and
- Establishing recommended timing and sequencing for federal engagement.

The objective will be to organize individual County priorities into a deliberate and strategic multi-year federal funding program rather than pursue isolated funding opportunities as they arise.

c. Funding Requests and Supporting Materials

Develop policy, legislative, and funding requests in support of County priorities.

Waggoner will prepare or coordinate supporting documentation as appropriate, which may include:

- Congressional appropriations request forms;
- Narrative concept papers;
- Project descriptions and funding justifications;
- Project cost and schedule information;
- Project-readiness information;
- Maps and graphic exhibits;
- Project fact sheets;
- Presentation materials;
- Briefing documents;
- Correspondence; and
- Other supporting information appropriate to the applicable funding or legislative process.

Materials will be developed to provide the County with a clear and consistent message and, where practical, will be structured so that the underlying project information can also support engagement with the Mississippi Legislature, state agencies, and other governmental stakeholders.

d. Board Advocacy Development

Assist members of the Board of Supervisors in becoming effective direct advocates for Lafayette County's priorities.

Waggoner will brief participating County officials regarding applicable federal funding and legislative processes, develop concise talking points and project-specific funding requests, prepare briefing materials, establish objectives for governmental meetings, and conduct strategy sessions in advance of significant engagements.

Waggoner's role will be to provide the strategy, information, preparation, and supporting materials necessary for County elected leadership to serve as the principal voice for Lafayette County.

The intent is to develop an organic, sustained advocacy capability within County leadership rather than rely solely on individual funding submissions or outside representation.

e. Congressional and Federal Agency Engagement

Develop a coordinated strategy and schedule for engagement with members of Congress, congressional staff, and appropriate federal agencies.

Waggoner will assist with:

- Identifying appropriate congressional and agency contacts;
- Coordinating meetings and communications;
- Developing meeting agendas and objectives;
- Preparing County participants;
- Attending meetings with County representatives;
- Providing strategic and technical support during governmental engagements; and
- Coordinating appropriate follow-up.

The Scope anticipates one (possibly two) coordinated Washington, D.C. advocacy trips during the initial 12-month term, together with other meetings, calls, and communications conducted remotely or within Mississippi as appropriate. The first trip would occur in the late-January thru April timeframe as the appropriations process begins and Congress begins to assess priorities. A follow-up visit may be appropriate in the late fall, depending on Congressional actions and whether it is determined that additional advocacy is warranted.

f. Legislative Process Monitoring and Strategic Follow-Through

Monitor County funding and policy requests as they advance through applicable congressional, appropriations, and federal agency processes.

Waggoner will track material developments and advise the County concerning recommended actions at important stages of the process, including additional communication with congressional offices, supplemental information, letters of support, agency engagement, or other strategic follow-up.

For successful federal funding initiatives, Waggoner will provide strategic consultation as funding transitions from Congressional action toward the responsible federal agency and will advise the County regarding anticipated steps to secure program funds for implementation.

g. Regional Coordination and Alignment

In some situations, Lafayette County and the City of Oxford share infrastructure systems, transportation networks, economic interests, growth pressures, and other regional priorities. Where County initiatives intersect with or complement initiatives being advanced by the City

of Oxford or other regional partners, Waggoner will identify opportunities for coordination at the federal level that may strengthen the overall case for investment in Lafayette County.

With client authorization, Waggoner may facilitate discussions concerning initiatives of mutual interest and assist in developing coordinated or complementary funding strategies, project narratives, advocacy materials, or letters of support where cooperation serves the objectives of multiple jurisdictions.

Where separate initiatives are more appropriate, Waggoner will assist in clearly distinguishing the purpose, geography, beneficiaries, and funding needs associated with the respective requests.

Waggoner maintains the independent interests and confidentiality of clients and will not disclose confidential information of another client without appropriate authorization.

h. Institutional and Governmental Coordination

Identify institutional arrangements, partnerships, or legislative authority that may help advance County priorities.

Where appropriate, Waggoner will provide strategic recommendations regarding coordination with governmental entities, utilities, regional partners, federal agencies, or other stakeholders that may have a role in implementation.

i. Program Updates and Recommended Actions

Provide regular updates regarding Program development, active funding initiatives, legislative activity, upcoming milestones, and recommended items for action by the County.

Waggoner will continually reassess and adjust the Program as County priorities, project readiness, federal funding opportunities, and legislative circumstances evolve.

2. Deliverables

Waggoner will develop Program deliverables in connection with the activities described above.

Deliverables are anticipated to include, as appropriate:

- a. Program prioritization;
- b. Federal funding and congressional appropriations strategy;
- c. Policy, legislative, authorization, and funding requests;
- d. Congressional appropriations request materials and supporting documentation;
- e. Narrative concept papers, project summaries, correspondence, maps, graphic exhibits, briefing documents, and presentation materials;
- f. Board advocacy, talking-point, and meeting-preparation materials;
- g. Washington, D.C. and other governmental engagement materials and follow-up; and
- h. Regular Program updates and recommended items for action.

Deliverables will vary based upon priorities established by the County and the requirements and timing of applicable funding and legislative opportunities.

3. County Responsibilities

The County will designate an appropriate representative(s) to coordinate with Waggoner and will provide available plans, studies, budgets, project cost information, schedules, project records, and other information reasonably necessary to perform the services.

The County will provide timely direction concerning project priorities and proposed funding requests; review and approve materials to be submitted or presented on its behalf; make appropriate County officials available for strategic meetings and governmental engagement; and provide resolutions, certifications, matching-fund commitments, approvals, or other governmental actions required for individual funding initiatives.

4. Assumptions and Additional Services

This Scope is intended to provide strategic program development, federal funding strategy, congressional and governmental engagement support, advocacy preparation, legislative monitoring, and supporting project-development services. Detailed engineering design, surveying, environmental studies, permitting, property acquisition, detailed benefit-cost analyses, construction-phase services, extensive competitive grant application development, and post-award grant administration are not included unless specifically authorized. Where additional technical or professional services are needed to advance a priority initiative, Waggoner may prepare a separate scope and fee at the County's directive.

Waggoner will assist the County in positioning and pursuing funding opportunities but does not guarantee congressional action, legislative authorization, appropriations, grant awards, agency approvals, funding amounts, or schedules controlled by third parties.

5. Schedule

Waggoner will begin services upon authorization and will provide the services described herein for an initial **12-month period**. Activities will be scheduled and adjusted in coordination with County priorities, applicable congressional appropriations and legislative cycles, federal agency schedules, and other relevant funding milestones. The Program may be renewed or extended through subsequent authorization or amendment by mutual agreement of the County and Waggoner.

6. Compensation

Waggoner will perform the professional services described herein on an annual lump-sum basis.

Service	Budget
Strategic Funding & Advocacy Program	\$94,500
Total Professional Services Fee	\$94,500

The annual professional services fee will be invoiced in **twelve equal monthly installments of \$7,875**. The lump-sum fee includes Waggoner's professional time associated with developing the program and services described herein, including professional time associated with the anticipated Washington, D.C. advocacy trips and continuous priority monitoring and follow-ups.

Re: Lafayette County, Mississippi Fiscal Year 2025 Continuing Disclosure

Dear Kate:

We are pleased to confirm our engagement as dissemination agent (the "Dissemination Agent") to Lafayette County, Mississippi (the "County") in connection with its annual continuing disclosure undertaking. We appreciate your confidence in us and will do our best to continue to merit it. This letter sets forth the role we propose to serve and the responsibilities we propose to assume as Dissemination Agent in connection with the Annual Filing for fiscal year ended September 30, 2025.

We understand that pursuant to Securities and Exchange Commission Rule 15c2-12, as amended from time to time (the "Rule"), the County is required to provide on an annual basis certain financial information and operating data to the Municipal Securities Rulemaking Board (the "MSRB") through the MSRB's Electronic Municipal Market Access system at www.emma.msrb.org ("EMMA"), in the electronic format then prescribed by the Securities and Exchange Commission (the "SEC") (the "Required Electronic Format") pursuant to the Rule.

We also understand that pursuant to the County's Policies and Procedures for Continuing Disclosure/SEC Rule 15c2-12 Compliance (the "Policy"), a staff designee of the County is required to appoint or engage a dissemination agent to assist in carrying out its obligations under the Policy and the Rule, and the County is hereby appointing us to serve as Dissemination Agent in connection with the Annual Filing for fiscal year 2025 to be filed on or before September 30, 2026.

SCOPE OF ENGAGEMENT

As Dissemination Agent we will examine the County's continuing disclosure responsibility, consult with parties to the County; compile the Annual Filing (with the assistance of the County) and file an Annual Filing for and on behalf of the County. We will rely upon information provided to us without undertaking to verify the same by independent investigation. During the course of this engagement, we will rely on you to provide us with complete and timely information on all developments pertaining to any aspect of the Annual Filing. We understand that you will direct members of your staff and other employees of the County to cooperate with us in this regard.

Our duties in this engagement are limited to those expressly set forth above.

ATTORNEY-CLIENT RELATIONSHIP

Upon execution of this engagement letter, the County will be our client and an attorney-client relationship will exist between us. We further assume that all other parties understand that in this transaction we represent only the County, we are not counsel to any other party, and we are not acting as an intermediary among the parties. Our services as Dissemination Agent are limited to those contracted for in this letter, and the County's execution of this engagement letter will constitute an acknowledgment of those limitations.

Our representation of the County and the attorney-client relationship created by this engagement letter will be concluded upon the filing of the Annual Filing.

PROSPECTIVE CONSENT

As you are aware, Butler Snow represents many political subdivisions, companies and individuals. It is possible that during the time that we are representing the County, one or more of our present or future clients will have transactions, litigation, or other matters with the County. We do not believe that such representation, if it occurs, will adversely affect our ability to represent you as provided in this engagement letter, either because such matters will be sufficiently different from the filing of the Annual Filing so as to make such representations not adverse to our representation of you, or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of the issuance filing of the Annual Filing. The County's local counsel is hereby authorized to discuss and/or review with Butler Snow any such matters described in this paragraph (including any form of potential conflict waiver, if applicable). Execution of this engagement letter will signify the County's consent to our representation of others consistent with the circumstances described in this paragraph.

FEE STRUCTURE

Based upon: (i) our current understanding of the terms, structure, size and schedule of the Annual Filing, (ii) the duties we will undertake pursuant to this letter, (iii) the time we anticipate devoting to the Annual Filing, and (iv) the responsibilities we assume, our fee for this engagement will be \$3,000.00. Such fee may vary: (i) if material changes in the structure of the financing occur or (ii) if unusual or unforeseen circumstances arise which require a significant increase in our time or our responsibilities. If, at any time, we believe that circumstances require an adjustment of our original fee estimate, we will consult with you.

In addition, this letter authorizes us to incur expenses and make disbursements on behalf of the County, which we will include in our invoice. Disbursement expenses will include such items as travel costs, photocopying, deliveries and other out-of-pocket costs.

PUBLICITY CONCERNING THIS MATTER

Often projects and matters such as this are of interest to the public. Also, many clients desire favorable publicity. Therefore, you agree that we may respond to inquiries from the news media and we may initiate and publish information to the public on this matter (including but not

limited to our firm website) unless you instruct us not to do so. In any event, we will not divulge any non-public information regarding this matter.

RECORDS

At your request, papers and property furnished by you will be returned promptly upon receipt of payment for outstanding fees and client charges. Our own files, including lawyer work product, pertaining to the transaction will be retained by us. For various reasons, including the minimization of unnecessary storage expenses, we reserve the right to dispose of any documents or other material retain by us after the termination of this engagement.

If the foregoing terms are acceptable to you, please so indicate by (1) returning the enclosed copy of this engagement letter dated and signed by an authorized officer; and (2) returning the material event notice certification dated and signed by an authorized officer, attached hereto as **Exhibit A**. Please retain a copy of the original engagement letter and material event notice certification for your files.

We look forward to working with you again on your Annual Filing.

Event Notice

The County certifies that none of the event notices have occurred with respect to the Bonds:

- (1) Principal and interest payment delinquencies.
- (2) Non-payment related defaults, if material.
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties.
- (4) Unscheduled draws on the credit enhancements reflecting financial difficulties.
- (5) Substitution of credit or liquidity providers or their failure to perform.
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds.
- (7) Modification to rights of bondholders, if material.
- (8) Bond calls, if material, and tender offers.
- (9) Defeasances.
- (10) Release, substitution or sale of property securing repayment of the Bonds, if material.
- (11) Rating changes.
- (12) Bankruptcy, insolvency, receivership or similar event of the County¹.
- (13) The consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material.
- (15) Incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Issuer, any of which affect security holders, if material;
- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation² of the obligated person, any of which reflect financial difficulties.

LAFAYETTE COUNTY, MISSISSIPPI

BY: _____

Title: _____

Dated: _____

¹ For the purposes of the event identified in subparagraph (b)(5)(i)(C)(12) of the Rule, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and official or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

² For purposes of the events identified in subparagraphs (b)(5)(i)(C)(15) and (16) of the Rule, the term "financial obligation" is defined to mean a (A) debt obligation; (B) derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation; or (C) a guarantee of (A) or (B). The term "financial obligation" does not include municipal securities as to which a final official statement has been otherwise provided to the MSRB consistent with the Rule. Numerous other terms contained in these subsections and/or in the definition of "financial obligation" are not defined in the Rule; SEC Release No. 34-83885 contains a discussion of the current SEC interpretation of those terms. For example, in the Release, the SEC provides guidance that the term "debt obligation" generally should be considered to include only lease arrangements that operate as vehicles to borrow money.

STANDARD ENGINE WARRANTY CERTIFICATE

(EPA 17 and Newer, Model Year 2022)

Mack Trucks warrants certain individual components of each new Mack MP®7 and MP8 EPA 17 and newer emission engine in a new Mack truck to be free from defects in material and workmanship under normal use and service up to the periods specified, provided all Mack Trucks' maintenance and inspection requirements are followed. See your local authorized Mack dealer for recommended maintenance and inspection procedures. All warranty periods are calculated from the date in service of the vehicle. All coverage is 100% for parts and labor subject to the qualifications, limitations and exclusions as noted.

LIMITATIONS AND EXCLUSIONS TO THIS WARRANTY APPEAR ON THE FOLLOWING PAGES OF THIS CERTIFICATE. THESE LIMITATIONS AND EXCLUSIONS ARE IMPORTANT AND MUST BE READ AND UNDERSTOOD.

This warranty applies to only new Mack MP®7 and MP8 engines meeting EPA 17 and newer emission requirements in new Mack trucks operated in the United States and Canada installed in Model Year 2022 trucks.

Standard Mack Engine Components Coverage: 24 months or 250,000 miles (402,336 km), whichever occurs first, unless otherwise noted.

Major Components Coverage: 60 months or 500,000 miles (804,672 km), whichever occurs first.

USE OF IMPROPER OR UNAPPROVED FUEL OR ENGINE OIL WILL VOID THE ENGINE AND AFTERTREATMENT SYSTEM (DIESEL PARTICULATE FILTER) WARRANTIES. EPA 17 AND NEWER EMISSION MACK ENGINES REQUIRE THE USE OF MACK SPECIFICATION EOS 4.5 HIGH PERFORMANCE DIESEL ENGINE OIL AND ULTRA LOW SULFUR DIESEL (ULSD) FUEL.

USE OF FLUIDS OTHER THAN API CERTIFIED DIESEL EXHAUST FLUID (DEF) WILL COMPROMISE AFTERTREATMENT SYSTEM PERFORMANCE, INCREASE EMISSIONS, AND MAY IMPACT THIS TRUCK'S PRODUCT WARRANTIES.

SEE FOLLOWING TABLE FOR SPECIFIC COVERAGES:

Covered Standard Components List: 24 Months or 250,000 miles (402,336 km)	Qualifications and Limitations
Air Compressor	Includes: Sprocket and Mounting Bolts
Bearings	All internally lubricated bearings and bushings only.
Camshaft, Caps, and Bolts	Failures resulting from the valve and injector adjustments not being maintained properly are NOT covered. Normal maintenance adjustments are NOT covered.
Connecting Rods, Caps, and Bolts	
Coolant Duct Cover	
Crankcase Ventilation Assembly	
Crankshaft	
Crankshaft Hub	
Cylinder Block	Includes: Casting, Main Caps, and Bolts
Cylinder Block Heater	
Cylinder Head	Includes: Assembly, Casting, Bolts, Plugs, and Sleeves
Diesel Particulate Filter Assembly (DPF) / Diesel Oxidation Catalyst (DOC) / Selective Catalytic Reduction (SCR)	Includes: Aftertreatment Hydrocarbon Injector (AHI), Aftertreatment Wiring Harness, Aftertreatment Control Module, Diffuser Pipe (AHI Mounting), Fuel Lines to AHI Injector, AHI Shutoff Valve, AHI Fuel Pressure Sensor, Pre-Catalyst Temperature Sensor, Post-Catalyst Temperature Sensor, Downstream DPF Temperature Sensor, DPF Differential Pressure Sensor, Particulate Matter (PM) Sensor, SCR Assembly, DEF Pump Assembly (Pump Reverting Valve, Pump Pressure Sensor), DEF Injector, DEF Tank Heating Control Valve, NOx (SCR Inlet and Outlet) Sensor, Downstream SCR Temperature Sensor (T4)
EGR (Exhaust Gas Recirculation) Components	All components including Clamps, Control Valve, Controller Area Network (CAN) EGR Valve, Cooler, Fittings, Gaskets, Mixer, Pipes, Charge Air Cooler Temperature Out (CAC Out) Sensor, EGR Venturi Differential Pressure Sensor, EGR Wiring Harness.
Electrical EA Harness Supplied with Engine	From EECU to sensors and injectors and actuators
Engine Electronic Control Unit (EECU)	
Engine Brake Mechanism - PowerLeash™	Factory installed only. Includes: PowerLeash™ Control Valve and PowerLeash™ Rocker Arms. Turbo Compound (TC) engine: Closed Loop Butterfly (CLB)

Continued on Page 2...

Covered Standard Engine Components List: 24 Months or 250,000 miles (402,336 km)	Qualifications and Limitations
Exhaust Manifold	Includes: Casting, Joint Seals, Rings, and Wraps
Fan Belt Tensioner Assemblies and Bracket	Excludes: Fan Belts
Flywheel	Includes: Housing and Ring Gear
Fuel Filter Housing	Excludes: Filters
Fuel Injection System	Includes: Injectors and Common Rail Assembly (Electronic Fuel Pressure Regulator and Pressure Sensor)
Fuel Transfer Pump	
Gaskets, Seals, O Rings, and Silicon Sealant	
Gears	All internally lubricated gears only (Timing and Idler gears)
Hoses and Lines Supplied with Engine	Fluid carrying: Engine to engine mounted
Idler Pulleys	
Intake Manifold and Throttle Assembly	
Ladder Frame	
Oil Cooler	Engine Oil Cooler only
Oil Fill Tube and Cap	
Oil Filter Housing	Excludes: Oil Filters. Includes: All control valves and sensors contained in the Oil Filter Housing.
Oil Pan	
Oil Pump	
Piston Assembly	Includes: Cooler Nozzles, Liners, Pistons, and Rings
Pneumatic Control System	TC Engine: Air Valve Unit, Buffer Valve Unit, and Check Valve
Power Steering Pump	
Pre-Heater	Factory installed only. Includes: Preheat Relay, Terminals, and Power Cables
PTO Drive / REPTO (Rear Engine Mounted PTO Drive)	Factory installed only. Excludes: All Pumps or Driven Gears
Rocker Arm Assembly and Shafts	Includes: PowerLeash™ Rockers and Non-PowerLeash™ Rockers. Failures resulting from the valve and injector adjustments not being maintained properly are NOT covered. Normal maintenance adjustments are NOT covered.
Sensors (On Engine)	Includes: Temperature-Coolant, Crankcase Pressure, EGR Temperature, Engine Oil Level/Temperature, Engine Oil Pressure, Engine Timing/Speed (Flywheel), Temperature & Pressure – Inlet Manifold Air Sensor, Piston Cooling Jet Pressure
Starter Motor	
Telematics Gateway	TGW Unit and Associated Hardware (Antenna, Cab Overlay Harness, Antenna Cables)
Thermostat (Coolant)	Includes: Thermostat Side Cover
Timing Gear Cover and Plate	
Towing	Towing/Road Service on warrantable engine failures is covered to 24 months or 250,000 miles (402 336 km) whichever occurs first, limited to the truck (less trailer) and to a single tow per incident to the nearest authorized Mack service center. Charges in excess of \$1,000.00 are not covered unless Mack OneCall™ service is contacted and approves additional amounts prior to tow.
Turbocharger Assembly	Includes: VGT Actuator Module and Turbo Compound (TC) Assembly, if included
Valve Assembly	Includes: Guides, Keepers, Rotators, Seats, Springs, and Valves. Failures resulting from the valve adjustments not being maintained properly are NOT covered. Normal maintenance adjustments are NOT covered.
Valve Cover	
Valve Yokes (Bridge) and Pins	Failures resulting from the valve adjustments not being maintained properly are NOT covered. Normal maintenance adjustments are NOT covered.
Vibration Dampers and Bolts	
Water Pump Assembly	
Covered Major Engine Components List: 60 Months or 500,000 miles (804,672 km)	Qualifications and Limitations
Camshaft, Caps, and Bolts	Failures resulting from the valve & injector adjustments not being maintained properly are NOT covered. Normal maintenance adjustments are NOT covered.
Connecting Rods, Caps, and Bolts	
Crankshaft Forging	
Cylinder Block Casting, Main Caps, and Bolts	
Cylinder Head Casting and Bolts	
Exhaust Manifold Casting	
Flywheel Housing	
Gears	All internally lubricated gears only (Timing and Idler Gears)
Intake Manifold Housing	
Ladder Frame	
Thermostat Housing	
Timing Gear Mounting Plate	Excludes: Timing Gear Cover

Continued on Page 3...

THESE LIMITATIONS AND EXCLUSIONS ARE IMPORTANT AND MUST BE READ AND UNDERSTOOD.

LIMITATIONS – Mack Trucks' obligation is limited to, at its sole option, repair or replacement of parts which are acknowledged by it to be defective. The defective parts or assemblies replaced shall become the property of Mack Trucks. Warranty repairs performed by an authorized Mack dealer in accordance with the terms of the warranty set forth herein are free of charge. Warranty consideration can only be given if the deficiency is brought to the attention of an authorized Mack dealer upon discovery and the vehicle must be made available, in a timely fashion during the coverage period, for repair.

EXCLUSIONS:

1. **REPAIR:** In the case of acknowledged defective Covered Parts, exchange with factory remanufactured parts may occur. Warranty repairs do not constitute an extension of any warranty period for any vehicle, component or part.
2. **DAMAGES:** Damages due to misapplication, misuse, accidents, negligence, improper operations, alterations, storage or transport, operation at excessive speeds, loading beyond the factory rated load capacity, failure to follow Mack Trucks' recommended inspection, maintenance, and service procedures, and improper or insufficient maintenance services are not covered.
3. **PROGRESSIVE DAMAGE:** Damages due to failure of operator to take reasonable precautions to mitigate damage are not covered. Damages to a Covered Part due to failure of non-covered part are not covered. Coverage is limited to failure of a Covered Part directly causing failure of a non-covered part, where reasonable precautions were taken to mitigate damages.
4. **APPLICATION:** The selling dealer is responsible for designating the correct application and/or specification for a vehicle sold to a customer. Damages due to misapplication, including but not limited to, failures of component parts of vehicles being operated in excess of factory rated load capacities, or the use of a vehicle, component or part for a purpose for which it was not intended are not covered.
5. **ALTERATIONS:** Any vehicle, component or part repaired, altered, or inspected in any way, so as to adversely affect, in Mack Trucks' sole judgment, its stability, durability, or reliability, is not covered.
6. **NON-ORIGINAL EQUIPMENT:** Any part of the vehicle that fails, malfunctions, or does not perform as a result of improper conversion or installation of bodies or equipment by other manufacturers or suppliers is not covered.
7. **MAINTENANCE AND PARTS CONSUMED:** Maintenance and inspection requirements found in the Operator's Manuals and service manuals/instructions, including, but not limited to, engine tune-up, fuel system cleaning, replacement of lubricants and filter elements, adjustments of the engine injection pump/transmission/brakes/linkages, as well as diagnosis, test time and all other adjustments must be followed and are not covered. Parts which are normally consumed or worn out during the vehicle's normal service life and customarily replaced during usual maintenance service, including, but not limited to, mud flaps and brackets, brake linings, clutch brake, and clutch linings, are not covered.
8. **PERFORMANCE COMPLAINTS:** Performance complaints are not covered (including, but not limited to, low power and/or poor fuel economy). Coverage is limited to defects in material and workmanship of a Covered Part directly causing the performance issue.
9. **WEAROUT:** Mack Trucks does not cover normal wear of Covered Parts. Failures attributable to wear are excluded. For example and without limitation, the wear rate of parts in any engine or transmission, and especially those parts within the combustion area and clutch housing area, will vary depending upon operating conditions and environment. Conditions, such as load, trailer configuration, road speed and road conditions, as well as the quality of fuel, lubrication oil, and all filters bear a direct relationship to the wear rate and resulting life of parts. Depending upon the severity of these various conditions, parts wear and resulting failure could occur within the time limit of the coverage.
10. **NON-GENUINE PARTS:** Any failure of any vehicle, component or part caused by the use of parts and accessories, or major assemblies and exchange units, which do not meet factory standards is not covered.
11. **ODOMETER READING:** Any vehicle on which the actual mileage or hours cannot readily be determined, or on which the odometer, hour meter, or Electronic Control Unit has been disconnected, disabled, or altered, may not be covered by this warranty.
12. **ACCESS TO INFORMATION:** Owner must allow Mack Trucks full access to all data stored in all Electronic Control Modules; failure to do so may result in the loss of warranty coverage.
13. **LABOR:** Labor to remove and install a Covered Part is included only if a Mack Trucks authorized dealer originally installed the Covered Part. Labor for overtime and/or shift differential is not covered. Excessive labor for a warrantable repair due to the prior installation of equipment or body is not covered.
14. **MISC. EXPENSE:** Meals, lodging, communications charges, travel time and expense, loss of cargo, downtime, loss of profit/revenue, rental vehicles, driver's wages and other miscellaneous expenses are not covered. Shop supplies, lube oil, lubricants, sealers, anti-freeze, filter elements and labor performed by a non-approved location are not covered.
15. **ADDITIONAL COMPONENTS:** Components or parts that are not installed by Mack Trucks, including winches, power take-offs, dumper, mixer and refuse assemblies, hoists and bodies or other special equipment are not covered. During a warrantable repair, additional time to remove any customer installed components will not be covered under warranty. Mack Trucks' factory manufacturing records will be determinative as to factory installed components.
16. **TOWING:** Unless expressly provided in this Warranty Certificate, expenses for towing or road service are not covered. Failures caused by improper towing technique are not covered.
17. **SUSPENSION PARTS:** Suspension parts, including but not limited to rubber bushings, torque rod bushings, spring pins and bushings, and greased lubrication points that fail due to improper maintenance, abnormally severe service or abuse are not covered.
18. **CAB STRUCTURE AND CORROSION:** Cab structural defects or cab corrosion that occurs in areas of the cab that previously were damaged, repaired, altered or modified are not covered. Cab corrosion where metal is perforated from the outside to the inside is not covered.
19. **VENDOR ENGINES, ALLISON AUTOMATIC TRANSMISSIONS and ALTERNATE FUEL STORAGE AND DELIVERY SYSTEMS:** Vendor engines, Allison automatic transmissions and alternate fuel (CNG/LNG/DME) fuel storage/delivery components used in Mack trucks are warranted by their respective manufacturers and not by Mack Trucks, Inc. Refer to the manufacturers' warranty statements.
20. **OIL CONSUMPTION:** Before a claim based upon excessive oil consumption will be considered, the owner must provide proof that all recommended maintenance has been performed and submit adequate documentation to show that oil consumption exceeds Mack Trucks' published standards. Under no circumstances will warranty pay for repairs related to excessive oil consumption after the earlier of 24 months, 250,000 miles, or 402,000 kilometers.
21. **ENVIRONMENTAL DAMAGE:** Parts made out of cloth, leather, wood, rubber, synthetics, paint or chrome, which have been affected by exposure to the elements or chemical influence including, but not limited to, road salt/chemicals, industrial fall-out or the use of improper cleaners, polishes and/or waxes are not covered.
22. **ALIGNMENT:** Alignment of axle(s), balance of tires, changing of axle camber, caster, toe and thrust angle are not covered.
23. **GLASS:** Glass breakage and scratches are not covered unless physical proof of manufacturing responsibility is established.
24. **TIRES:** Except as expressly provided in warranty certificates covering Green House Gas (GHG) components, tires are covered only under warranties provided by the tire manufacturer.
25. **CHANGES:** Mack Trucks reserves the right to make any changes in design, or make additions to or upon its products, without incurring any obligations to install the same changes on vehicles previously built.

THIS WARRANTY IS MADE EXPRESSLY IN LIEU OF ANY OTHER WARRANTIES, REPRESENTATIONS OR CONDITIONS, STATUTORY OR OTHERWISE EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND OF ANY OTHER OBLIGATION OR LIABILITY ON THE PART OF THE MANUFACTURER INCLUDING, WITHOUT LIMITATION OF THE FOREGOING, CONSEQUENTIAL, INDIRECT, AND INCIDENTAL DAMAGES. MANUFACTURER NEITHER ASSUMES NOR AUTHORIZES ANY PERSON TO ASSUME FOR IT ANY OTHER LIABILITY IN CONNECTION WITH THE SALE OF VEHICLES, COMPONENTS OR PARTS.

Greensboro, North Carolina 27409

Double reduction rear axles provide superior torque handling, durability, and load-carrying capability, making them ideal for heavy-duty and off-road applications.

Key Advantages

1. Enhanced Torque Distribution and Strength

Double reduction axles reduce torque in two stages: first at the differential center and then at the wheel hub. This spreads the torque over a larger gear area, reducing stress on individual components and minimizing the risk of sudden axle failure under extreme loads, especially for vehicles carrying 200 tonnes or more [📞 nztrucking.co.nz +1](https://nztrucking.co.nz) .

2. Improved Durability and Load Capacity

The dual-stage reduction allows the axle to withstand higher input torque, making it suitable for heavy loads, poor road conditions, or steep gradients. The smaller crown wheel diameter reduces mechanical stress, while multiple oil reservoirs ensure continuous lubrication and cooling of gears and bearings, even on steep slopes [📞 nztrucking.co.nz +1](https://nztrucking.co.nz) .

3. Better Drivability and Ground Clearance

Double reduction axles have a smaller differential center, which improves vehicle drivability and allows higher ground clearance at the axle center. This is particularly advantageous for off-road, mining, or construction vehicles where terrain obstacles are common

[📞 trucksales.com.au +1](https://trucksales.com.au) .

4. Reduced Stress on Driveline Components

By lowering the rotational speed before torque reaches the axle shafts, double reduction axles reduce the burden on driveshafts and universal joints. This minimizes vibration, driveline noise, and wear, extending the service life of the drivetrain [📞 nztrucking.co.nz +1](https://nztrucking.co.nz) .

5. Compatibility with Heavy-Duty Suspensions

These axles work well with advanced suspension systems, such as parallelogram or tridem setups, which help maintain proper driveline angles and reduce chassis frame rise during heavy load acceleration or climbing steep grades [📞 nztrucking.co.nz](https://nztrucking.co.nz) .

6. Maintenance and Reliability

Although double reduction axles are more complex than single reduction axles, their design with multiple lubrication points and robust gear distribution enhances reliability under extreme conditions, reducing the likelihood of catastrophic failures

7. Sara Liddy – introduction as candidate for Chancery Court Judge
8. Approve Encroachment Agreement between the County and Columbia Gulf for state aid project SAP-36(84) on County Road 459. (Larry Britt)

ENCROACHMENT AGREEMENT

Lafayette County, MS
P. O. Box 308
Oxford, MS 38655

March 30, 2026

**Re: Improve County Road 459
Lafayette County, MS**

TC Energy's Crossings Engineer has completed a review of proposal for the above referenced project (the "Project"). The results of the review are contained in the Engineering Guidelines dated November 21, 2025 (the "Guidelines"), which are attached hereto and incorporated herein as **Exhibit A, Lafayette County, MS** (hereinafter the "Applicant") and its contractors will be held responsible to adhere to the terms herewith provided by which **Columbia Gulf Transmission LLC** (hereinafter "Columbia Gulf" or "Company") issues this Encroachment Agreement (the "Agreement").

1. **Term: This Agreement shall remain in effect for so long as Columbia Gulf, or its successors and assigns, continues to own or operate the Columbia Gulf's property and/or facilities and the Columbia Gulf's property and/or facilities are impacted by the encroachment. Any construction activity permitted under this Agreement must be completed within One Year (365 Days) from March 30, 2026.**
2. All work must comply with the Guidelines and Applicant's design plans and drawings which have been approved and stamped "Reviewed and Approved as Noted by TC Energy Crossings Engineer" and which are attached hereto and incorporated herein as Exhibit B (the "Approved Plans"). Any changes to the design, description, and/or construction within the Approved Plans must be approved in writing, and in advance of any construction, by TC Energy's Crossings Engineer. Such approval, if given, shall be deemed to be subject to all the terms and conditions hereof. Upon separate written request, subsequent to installation of the facility, Applicant will provide Columbia Gulf with an as-built drawing related to the encroachment(s) on the property. If Applicant terminates the work before completion, it shall comply with all Guidelines and Approved Plans to place the Columbia Gulf property and/or existing facilities into as good of condition as they were prior to the Applicant's work.
3. Applicant's work and encroachment upon Columbia Gulf's property and/or facilities shall be performed in accordance with all applicable laws, rules and regulations. Applicant agrees to maintain all facilities installed pursuant to the Project in good condition at all times, and that such maintenance shall conform to all applicable laws, rules and regulations.
4. Prior to commencement of Applicant's construction and/or installation activities, Applicant shall provide Columbia Gulf with a schedule of its proposed activities. Columbia Gulf must have a representative on site at all times when work is being performed over/near its facilities and/or within its property, right-of-way, or easement.
5. Except for emergency situations, notice of at least seventy-two (72) hours in advance of any work or maintenance must be provided. Applicant must contact Columbia Gulf's Operations representative: **Mac Quarles, at (662) 284-6745. Please note that voice messages do not constitute 72-hour notice. Person to person contact must be made.**
6. Compliance with these terms and those contained in the Guidelines does not suggest or imply that Applicant, its contractors, consultants or any other associated party is relieved of any responsibility or liability in the event Columbia Gulf's property and/or facilities are damaged in any way before, during or after the construction of the encroachment. Columbia Gulf does not waive any rights that it may have against any third parties who cause any damage or injury to Columbia Gulf, its affiliates, parent and subsidiary companies, and Columbia Gulf will hold all parties responsible for damages, claims, or costs incurred for any issues arising from Applicant's activities.

7. The rights and consent granted by this Agreement may not be assigned without **Columbia Gulf's** prior written consent. The responsibilities and obligations of **Applicant** pursuant to this Agreement shall extend to its successors and assigns.
8. All rights granted hereunder shall be subject and subordinate to the paramount rights granted to **Columbia Gulf** to occupy and use all or any portion or portions of its property, right-of-way, or easement in its operations, and the operations conducted by **Applicant** will be performed at no direct cost or expense to **Columbia Gulf**.
9. Please be advised that **Columbia Gulf** is now and will continue to utilize the property, right-of-way, or easement and in doing so, may at any time, or from time to time, enter upon said land, place and transport machinery and equipment thereon, excavate trenches and ditches thereon, and operate and maintain **Columbia Gulf's** land and facilities. **Columbia Gulf's** facilities will not be removed from service, nor will the placement of such facilities be adjusted because of **Applicant's** Project or facilities.
10. **Applicant**, on behalf of itself and any other person or entity claiming by or through **Applicant**, shall require that any contractor or subcontractor performing work on, around, or within **Columbia Gulf's** property and/or facilities impacted by the encroachment maintain insurance coverage issued by insurers licensed to do business in the State of Mississippi and rated A or better, with limits not less than the following:
 - a) Commercial General Liability insurance in limits of \$3,000,000 per occurrence and in the aggregate including coverage for, at a minimum, bodily injury liability, broad form property damage liability, underground utilities, explosion and collapse, contractual liability and products and completed operations coverage;
 - b) Automobile Liability insurance providing coverage for any vehicles owned, hired and non-owned used under this Agreement in limits of \$2,000,000;
 - c) Workers Compensation insurance as required by applicable law and Employer's Liability Insurance with limits of not less than \$1,000,000.00;
 - d) Professional Liability insurance, if applicable to the work being performed, in limits of not less than \$1,000,000.

Columbia Gulf shall be named as an additional insured on the Commercial General Liability and Automobile Liability policies for both ongoing and completed operations. Upon request, **Applicant** shall provide, or cause to be provided, certificates of insurance and copies of additional insured endorsements evidencing the required coverage prior to any work being performed.

11. **Applicant** shall secure all necessary permits from all governmental agencies having jurisdiction thereof for the Project or construction, installation, maintenance and operation of **Applicant's** facilities and shall comply with all applicable laws, rules and regulations at all times hereafter. **Columbia Gulf's** consent hereby granted is subject to the existing easement rights and/or leasehold interests of **Columbia Gulf** at the above referenced location. **Columbia Gulf** cannot, and does not, by execution of this Agreement, grant a right-of-way or other land use rights to **Applicant** but executes this Agreement solely to signify that insofar as **Columbia Gulf's** interests are concerned and insofar as such is required under applicable law, **Columbia Gulf** consents to the **Applicant's** proposed Project, provided such Project is completed and maintained in accordance with the provisions of this Agreement and all applicable laws, rules and regulations. Therefore, **Applicant** agrees to secure any other rights-of-way, easements and/or permits from any parties holding interests in the real property concerned and which are necessary for **Applicant's** Project or the construction, installation, operation and maintenance of **Applicant's** facilities. Nothing herein contained shall be construed as impairing any rights or privileges or obligations of the Company under its easement and/or leasehold rights, including the construction of additional facilities and appurtenances from time to time (if allowed for therein).
12. Prior to any construction activities near **Columbia Gulf's** property and/or facilities, **Applicant** must provide all contractors a copy of this Agreement, including the Guidelines dated November 21, 2025 and the Approved Plans, and all contractors must maintain copies in their possession to confirm that they are aware of the conditions, requirements and obligations for the encroachment pursuant to this Agreement.
13. **Applicant** acknowledges and agrees that, in the interest of public safety and pipeline security, construction activities at or near **Columbia Gulf's** property and/or facilities must be closely monitored, and specific procedures followed. FAILURE TO FOLLOW THIS AGREEMENT MAY RESULT IN PERSONAL INJURY, LOSS OF LIFE OR SERIOUS PROPERTY DAMAGE. **Applicant's** construction, installation, maintenance and operation of **Applicant's** facilities and Project shall comply with industry standards and applicable law to prevent damage to **Columbia Gulf's** property and/or facilities and to prevent safety issues, including, but not limited to, impairment of support, access to, stability, integrity or protection of **Columbia Gulf's** property and/or facilities.
14. **Columbia Gulf** requires that **Applicant** and/or each of **Applicant's** contractors / subcontractors on this project

submit State One Call tickets (call 811) in accordance with the applicable One Call system's advance notification requirements for each different phase of the Project that involves earth disturbance (grading, excavating, trenching, digging, etc.).

The Company looks forward to working with you to minimize impact resulting from this Project and also provide for the safety of the general public and the integrity of Company's facilities. Should you have any further questions regarding this Agreement please contact Company at 1.800.562.8931.

No work is permitted under the terms of this Encroachment Agreement until the Encroachment Agreement has been countersigned, dated and a copy returned to: us_crossings@tcenergy.com.

The crossing application submitted by Larry L. Britt was received on June 6, 2025. Lafayette County, MS plans to improve County Road 459 in Lafayette County, Mississippi. This includes a box bridge replacement and road widening. The plans received on July 3rd, 2025 have been reviewed. By comparison to our operating maps and records, it is evident that TC Energy has facilities located within the limits of, and impacted by, the proposed construction.

Please Note: Involvement status relates solely to facilities owned and/or operated by TC Energy.

Work within TC Energy's right-of-way will be performed in accordance with TC Energy procedures to protect the safety of TC Energy's facilities. The following guidelines, although not inclusive, are provided to accommodate your request and protect our pipelines and facilities.

Section 1: General Requirements for Construction within TC Energy Right-of-Way (ROW).

1. Follow all applicable federal and state safety requirements at all times.
2. Before any field work or construction begins in the vicinity of TC Energy pipeline facilities the location and elevation of the pipeline shall be confirmed. Begin with a call to 811 or appropriate state "One Call" notification number. Request both the approximate location and depth of the pipeline to be determined in any area of proposed construction. The area of proposed construction shall be marked with white paint, flags, or otherwise as required by state law.
3. When conducting construction activities in or around TC Energy pipeline facilities or rights-of-way, a TC Energy on-site Company Representative shall be present unless otherwise permitted by TC Energy. A TC Energy Representative will review the location of pipeline facilities prior to starting work.
4. Notice of at least seventy-two (72) hours in advance of construction must be provided. The permittee must contact the following TC ENERGY field representatives:

Name: Mac Quarles Cell: +16622846745

5. Permittee shall notify the responsible State "One Call" center to request that TC Energy re-mark a pipeline if the existing markers are inadequate or no longer visible for any reason, including disturbance due to construction activities.
6. Permittee shall not burn or bury trash, brush, or other items or substances within TC Energy pipeline rights-of-way.
7. Permittee shall not park equipment or store materials on the TC Energy right-of-way.
8. Use of vibratory equipment larger than walk-behind units shall not be permitted within twenty-five (25) feet of the pipeline or related facility.
9. The Permittee shall mark any excavation area with white paint, flags, or as required by applicable state law within TC Energy right-of-way.
10. The following items, but not limited to, are not permitted within the ROW; valves, curb boxes, manholes, sprinkler heads, splice boxes, service risers, energized equipment, poles, towers, guy wires, mechanical supports, ground rods, anchors, signs, bollards, and similar structures.

EXHIBIT "A"

11. Before excavation can begin near a TC Energy right-of-way, the excavation area must be located and marked in according to the appropriate state one call regulation. Safe digging is no accident. Know what's below. Call 811 before you dig. TC Energy or its representative shall locate the pipeline and determine the approximate depth of cover before the Permittee can begin excavation.
12. TC Energy shall have a Company representative present during all excavation activities. The Company representative shall have full authority to stop the work if it is determined that the work is being performed in an unsafe manner relative to TC Energy facilities or personnel.
13. Should it be necessary for a TC Energy employee/representative to enter the excavation to inspect its pipeline(s), the excavation at the crossing shall be sloped, permitted safe with trench boxes, or shored in accordance with the requirements of the Occupational Safety and Health Administration.
14. No equipment shall work directly over the pipeline, unless TC Energy grants specific written permission.
15. When excavating within a TC Energy right-of-way in the presence of a loaded pipeline, the Permittee's excavation equipment shall have a plate welded or attached over the teeth of the excavator bucket.
16. No side cutters shall be used during any excavation within a TC Energy ROW.
17. No part of powered equipment shall come within two (2) feet of TC Energy's pipelines, or according to applicable State or Federal requirements.
18. No bucket, any attachment or load may be swung over TC Energy's pipeline(s) where there is less than two (2) feet of cover.
19. TC Energy requires the pipeline to be potholed located prior to excavation within fifteen (15) feet. Afterwards potholing techniques are to be used when digging within two (2) feet of the outer edge of the pipe, unless requirements that are more stringent are set forth by the applicable state's One Call system. Within this "tolerance zone" only hand excavation, air cutting, vacuum excavation or other TC Energy approved techniques are permitted.
20. No excavation shall be made on land adjacent to the pipeline that shall in any way impair, withdraw lateral support, cause subsidence, create the accumulation of water, or cause damage to the pipeline or right-of-way.
21. The Permittee shall ensure all excavation work complies with OSHA's excavation standards outlined in 29 CFR 1926 and correct any noncompliant excavation site before work within TC Energy right-of-way continues.
22. At any location where the pipeline is exposed, the Permittee shall provide TC Energy the opportunity to inspect the pipeline condition, install cathodic protection equipment, repair any pipe coating imperfections, and/or install underground warning materials.
23. No TC Energy buried pipeline shall be left exposed for any duration of time, unless otherwise permitted by TC Energy.
24. Backfill and compaction shall be performed to the satisfaction and in the presence of a Company representative. At least 6 inches of fine, loose earth or other permitted backfill material with no sharp gravel, rock, hard clods, vegetation, or other debris shall be added on all sides of any pipeline, and remaining backfill shall be placed so as not to disturb this padding material or damage the pipeline and its coating. Backfill over the pipe shall be compacted by hand until eighteen (18) inches of cover is achieved.
25. Disturbed ground shall be compacted to at least the same degree of compaction as surrounding areas.

EXHIBIT "A"

26. The Permittee shall restore the site to its original condition unless otherwise permitted by TC Energy.
27. Continuously poured, steel reinforced concrete is not permitted within TC Energy right-of-way.
28. There shall be no work or spoil storage on the TC Energy right-of-way, nor shall there be any unauthorized equipment crossing(s) on the TC Energy right-of-way.
29. The permittee may be crossing one or more of TC Energy's transmission pipeline(s). These pipeline(s) may be coated with a material to protect them from corrosion. The coating may contain asbestos. If the excavation results in exposing TC Energy's pipeline(s) and there is any damage to the coating, you will be responsible for all costs, including any disposal costs, associated with the coating repair. If necessary, you will also be required, to halt all work activity while the coating material is being analyzed. The coating repair, including the removal of the original material, will be performed by TC Energy personnel or a qualified third-party contractor selected by TC Energy. All work will be done in accordance with TC Energy's current engineering and environmental standards. During the course of the excavation work, Permittee agrees to cooperate with TC Energy to ensure all federal, state and local environmental and safety regulations are followed.
30. The permittee shall submit a Heavy Equipment Crossing Information Form for **all additional** equipment that will operate within the TC Energy right-of-way. No additional equipment will be permitted within the right-of-way without prior approval from TC Energy. The permittee will work with the on-site representative to complete the Heavy Equipment Crossing Information Form.
31. While using the permitted crossing area(s) with heavy equipment, if rutting, any form of ground decay, or ground pumping occurs additional measures will be required. The additional measures will include but are not limited to: load calculation reassessment, matting/air bridge installment, additional cover, concrete relief slabs, etc.
32. TC Energy shall limit the number of temporary construction roads constructed by the Permittee. Crossings shall be limited to pre-selected sites and shall be clearly defined and marked. Random crossings are not permitted. The Permittee shall install temporary fencing along the TC Energy right-of-way boundaries so equipment shall not inadvertently pass over the pipeline at locations other than those established for the crossing.
33. During the use of a permitted temporary construction road, the Permittee shall take all reasonable and necessary steps to maintain the integrity of the permitted crossing protection. TC Energy personnel should inspect crossings periodically and may require the Permittee to provide additional protective measures deemed necessary to prevent damage to the pipeline or right-of-way.

Section 2: Requirements for Construction of Roads, Sidewalks, Parking, and Grading

34. All proposed road crossings of buried facilities must be evaluated by TC Energy. Protective measures may be required before construction activity can begin or during the course of such construction activity.
35. Roads, driveways, and concrete sidewalks must not be permitted to be installed longitudinally within the ROW.
36. Use of vibratory equipment larger than walk-behind units shall not be permitted within twenty-five (25) feet of the pipeline or related facility.

EXHIBIT "A"

37. Variance of the existing depth of cover is not permitted without TC Energy's written permission. Protective measures may be required before construction activity can begin or during the course of such construction activity.
38. Where additional cover is permitted, the final grading shall meet a minimum cover of three (3) feet over the pipeline but shall not exceed five (5) feet from the top of the pipeline without TC Energy written permission.
39. Detention or retention ponds, lakes, structures or any type of impoundment of water, temporary or permanent, shall not be permitted within the right-of-way.
40. Any modifications to an existing drainage pattern shall be designed so there is no erosion of the cover over TC Energy right-of-way. The Permittee shall provide engineering documentation for water velocity calculations verifying no erosion will occur.
41. For drainage channels and ditches where a minimum cover of three (3) feet cannot be maintained, the Permittee shall be responsible for the cost of installation of additional protection required by TC Energy.
42. Roads, driveways, or sidewalks shall cross the right-of-way at as near to ninety (90) degrees as possible, but no less than forty-five (45) degrees.
43. Venting systems shall not be used as a means to extend crossovers or vent parking lots.
44. Concrete sidewalks and/or curbs, shall have expansion joints installed five (5) feet on either side of the pipeline.
45. Asphalt roads must not be greater than twenty-five (25) feet in width, or the minimum width required by local and/or state regulations. Permittee must submit documentation when requesting road widths exceeding twenty-five (25) feet.
46. Asphalt pavement shall not be installed closer than five (5) feet from the pipeline except in the case of roadway, driveway, or parking lot crossovers. Where parking areas are permitted within the ROW, barriers must be installed on the edge of the parking area closest to the pipeline.
47. Parking area(s) shall not be installed within ten (10) feet of TC Energy pipeline facilities.
48. Barriers shall be installed on the edge of the parking area closest to the pipeline.
49. Parking lot "crossovers" may be permitted by TC Energy and shall be no greater than twenty-five (25) feet in width.
50. Parking lot "crossovers" shall be spaced at a minimum of fifty (50) foot intervals (measured from the edge of the crossover). Where fifty (50) feet cannot be maintained additional measures may be required.

Section 3: Requirements for Walking and Bicycle Paths

51. Walking/bicycling paths shall be constructed at the outside edge of the TC Energy permanent right-of-way area.
52. Longitudinal path width within TC Energy rights-of-way shall not exceed six (6) feet.
53. Paths shall cross the TC Energy pipeline as close to ninety (90) degrees as possible, but no less than forty-five (45) degrees.
54. No motorized vehicles of any type, other than power driven wheelchairs, shall utilize paths, which run longitudinally inside the right-of-way.

EXHIBIT "A"

55. Paving shall be restricted to asphalt only. No concrete paving shall be used for walking and paths.
56. Landowner shall be responsible for maintaining the path to prevent right-of-way damage (including erosion, illegal dumping, etc.) Any change in grade or modifications to existing grade required to control erosion shall be reviewed and approved by TC Energy

Section 4: Requirements for Construction of Retaining Walls, Fences, Buildings, and Landscaping

57. Buildings or other structures, including but not limited to overhanging balconies, patios, decks, swimming pools, wells, walls, utility poles, septic systems, propane tanks, transformer pads, or the storage of materials which creates an obstruction or prevents the inspection of the right-of-way by air or foot, shall not be permitted within the TC Energy right-of-way.
58. The Permittee shall not build retaining walls, drive piling or sheeting, or install an engineered structure that may negatively impact the TC Energy right-of-way.
59. The right-of-way area may be planted in lawn, flowerbeds, or vegetable gardens, or used for normal agricultural purposes.
60. Shrubs or ornamental plantings must not be permitted within 10 ft of the pipeline. Plantings within the ROW and greater than 10 ft from the pipeline must be maintained at 5 ft in height or less.
61. Shrubs maturing at more than five feet tall and all trees (including fruit/nut bearing and Christmas tree farms) shall not be permitted within the right-of-way.
62. TC Energy shall not be responsible for replacement of or reimbursement for any plantings within the right-of-way, unless otherwise stated in applicable land rights document.
63. Fence(s) shall cross as near to ninety (90) degrees as possible, but no less than forty-five (45) degrees.
64. Fence or hedge height may not exceed five (5) feet in height. Commercial chain link fences used for security protection or other business requirements may exceed five (5) feet.
65. Fence posts, or similar posts, shall not be placed within five (5) feet of the outermost edge of the pipeline.
66. Electric fence(s) shall be equipped with insulated handled gate or some type of disconnect, that is available to TC Energy.
67. Conductors for electric fences shall not be placed within fifteen (15) feet of any TC Energy above grade piping with mechanical fittings.
68. Fence(s), must be designed and installed to allow at least a sixteen (16) foot gate or opening centered on the pipeline. Gates should be centered on the pipeline unless property lines or similar limitations are present.
69. Permittee shall provide TC Energy access through all gates permitted within the TC Energy right-of-way. If Permittee installs locks on said gates, TC Energy shall also be allowed to install its own locks in a manner that allows TC Energy unimpeded access without limiting Permittee's access.
70. Masonry, brick, or stone walls shall not be permitted on the right-of-way.
71. Permittee will allow TC Energy to place pipeline markers at or near, fences, walls or shrubs in order to identify the pipeline route.

TC Energy
November 21, 2025

County Road 459 improvements in Lafayette County, Mississippi.
Estimated to be performed in June 2026.

Box bridge replacement and road widening.

Box bridge must remain fully outside of the ROW.

Alterations to the rip-rap must be a like in kind replacement.

Road will be widened. Existing road is 18ft pavement. New pavement is 20ft. Shoulders will be gravel. Casing vents not impacted.

Heavy equipment evaluated considering 92" DoC (road side) and 61" (creek bed). Require timber matting (4" thickness) for west side ML 100. Do not cross on east side of road. Crossing notes provided on final page.

Subject: RE: [EXTERNAL] RE: 202506060046 - Lafayette MS Box Bridge

Larry,

Thanks for taking the call earlier in the week. I have been reviewing the heavy equipment crossings you have submitted and have a few questions.

1. Do you plan to cross on the existing road surface? *Yes*
2. Is this surface asphalt? How thick? *Yes - 3" Hot Mix Asphalt - EXISTING IS ±2"*
3. Will the proposed construction reduce the structural capacity of the road? *No*
4. If you plan to cross off the paved surface, please mark the desired crossing locations on the image below. *Marked in red*

9. Discuss burn ban. (Wes Anderson)
10. Consider the Planning Commission recommendation to approve the Level 3 Properties, LLC, Belle River Place Final Subdivision Plat, Lafayette County Parcels 138Z-34-035.00 and 182-03-001.00, 43 CR 403. (Tristan Riddell)

Lafayette County Development Services
Planning, Zoning & Building Inspection

To: Lafayette County Board of Supervisors
From: Tristan Riddell, Planner
Meeting Date: October 5, 2026
Case: 26-111

Applicant: Level 3 Properties, LLC
Request: Final Plat – Belle River Place

Location: 43 CR 403 – at CR 403 intersection with Morris Drive
Parcel Number(s): 138Z-34-035.00 and 182-03-001.00
PPIN: 16290 and 10219

Existing Zoning District: Residential Low Density (R-1)

Background

Level 3 Properties, LLC requests approval of the Belle River Place Subdivision Final Plat.

The Belle River Place Subdivision consists of 5 lots on approximately 4.34 acres located on the east side of CR 403 (Belle River Road) at its intersection with Morris Drive (The Grove at Grand Oaks). The Belle River Place Preliminary Plat was approved by the Lafayette County Board of Supervisors on July 6, 2026.

Final Plat Approval – Belle River Place Subdivision

The Belle River Place Subdivision Final Plat conforms with the requirements of the Lafayette County Land Development Standards and Regulations (LCLDSR) (Article III, Section 3 and Appendix 5, LCLDSR).

Planning Staff Recommendation

Planning Staff recommends approval of the Final Plat.

Planning Commission Recommendation

The Planning Commission voted unanimously (4-0) to recommend approval of the Final Plat.

1. Application Materials

11. Consider the Planning Commission recommendation to approve the C Store 1 Properties, LLC, Rebel Gas Mart Final Site Plan Amendment, Lafayette County Parcel 185Y-21-052.03, 505 Hwy 7 South. (Tristan Riddell)

Lafayette County Development Services
Planning, Zoning & Building Inspection

To: Lafayette County Board of Supervisors
From: Tristan Riddell, Planner
Meeting Date: October 5, 2026
Case: 26-413

Applicant: The C Store 1 Properties, LLC
Request: Final Site Plan Amendment

Location: 505 Hwy 7 S
Parcel Number(s): 185Y-21-052.03
PPIN: 39156

Existing Zoning District: Commercial Medium Density (C-2)

Background

The C Store 1 Properties, LLC requests an amendment to the final site plan approved for the Rebel Gas Mart located at 505 Hwy 7 S. The amendment will authorize a secondary access point for the property. The site is currently accessed directly off Hwy 7 S. The secondary access will connect to Cross Creek Drive at the northwest corner of the property.

The additional access point will improve traffic flow, specifically with the conclusion of the MS Hwy 7 widening project, which results in a number of significant traffic flow changes in the general vicinity.

Final Site Plan Approval

The amended Final Site Plan conforms with the requirements of the Lafayette County Land Development Standards and Regulations (Article II, Section 2, LCLDSR).

Planning Staff Recommendation

Planning Staff recommends approval of the amended Final Site Plan as submitted.

Planning Commission Recommendation

The Planning Commission voted unanimously (4-0) to recommend approval of the Final Site Plan Amendment.

PROJECT NARRATIVE

Rebel Gas Mart

Cross Creek Drive Connection

505 Hwy 7 South, Lafayette County, Mississippi

Prepared for: Rebel Gas Mart

Prepared by: JM Engineering and Design, LLC

Date: August 13, 2026

1. Project Overview

This narrative is submitted on behalf of Rebel Gas Mart in support of a site plan amendment for the existing convenience store (“c-store”) located at 505 Hwy 7 South, Lafayette County, Mississippi. The proposed amendment consists of a single vehicular access connection extending from the existing c-store site to Cross Creek Drive, providing a secondary point of ingress and egress for the property. The connection is proposed primarily as a safety improvement for residents of the adjoining Cross Creek development in response to MDOT's ongoing widening of Hwy 7 South from a two-lane to a four-lane highway.

Project Data	
Project Name	Rebel Gas Mart – Driveway Connection
Site Address	505 Hwy 7 South, Lafayette County, MS
Jurisdiction	Lafayette County, Mississippi
Zoning	C-2
Existing Use	Convenience Store / Fuel Sales (C-Store)
Requested Action	Site Plan Amendment – Addition of Vehicular Connection to Cross Creek Drive
Adjacent Development	Cross Creek Residential Subdivision
Adjacent Property Owner	JR Properties IV, LLC
Applicant	Rebel Gas Mart
Engineer of Record	JM Engineering and Design, LLC – Joey Moore, P.E.

2. Existing Conditions

The subject property is developed with an existing convenience store and fuel sales facility fronting MS Hwy 7 South. The site currently takes primary access from Hwy 7 South, with the site plan showing a 30-foot buffer maintained along the property perimeter, including separate 30-foot (Lafayette County) and 50-foot (City of Oxford) buffer areas reflecting the site's location near the jurisdictional boundary.

Cross Creek Drive borders the north side of the property and is located within Lafayette County right-of-way. A raised median currently separates the two directions of Cross Creek Drive at the point of the proposed connection.

3. Proposed Improvement

The applicant proposes to construct a new 24-foot wide concrete driveway connecting the existing c-store site to Cross Creek Drive. The improvement includes:

- A 24-foot wide concrete drive connecting the c-store parking/drive area to Cross Creek Drive
- Demolition of a portion of the existing raised median in Cross Creek Drive to accommodate the new connection
- Installation of a stop sign and stop bar at the new connection, controlling egress from the site onto Cross Creek Drive

The improvement is shown on Sheet C-100 (Site Layout) of the accompanying plan set, with erosion control measures for the connection shown on Sheet C-700 and applicable pavement section details on Sheet C-800.

4. Purpose and Justification

The primary purpose of the proposed connection is safety for residents of the Cross Creek development. MDOT is currently widening Hwy 7 South from a two-lane to a four-lane highway, which will increase travel speeds, traffic volume, and the complexity of turning movements along the corridor. Without the proposed connection, Cross Creek residents traveling to the c-store must enter and exit directly onto Hwy 7 South, a maneuver that will become progressively more hazardous as the widened highway is completed and traffic speeds increase.

The proposed connection to Cross Creek Drive allows residents to reach the c-store through a lower-speed, stop-controlled local connection instead of a direct movement onto or off of Hwy 7 South. This reduces the number of vehicles making turning movements at the highway frontage and removes a corresponding number of conflict points from the higher-speed, higher-volume roadway once the widening is complete.

The connection also benefits motorists traveling south on the widened Hwy 7 South. Because there is no median crossover on Hwy 7 South at the existing c-store entrance, southbound motorists will have no direct way to reach the store and will instead have to enter the Cross Creek development and access the store by way of Cross Creek Drive, since the proposed connection will be the only means of access to the site for southbound traffic.

5. Community Support

The applicant has coordinated informally with residents of the Cross Creek development regarding the proposed connection. Sixteen (16) residents of Cross Creek have signed letters of support for the proposed connection to Cross Creek Drive, indicating neighborhood-level support for the improvement. Copies of the signed letters of support are included as Exhibit A.

6. Compliance with Lafayette County Requirements

The proposed site plan amendment has been prepared in accordance with the applicable requirements of the Lafayette County subdivision and development regulations governing access connections and site plan amendments. The proposed connection will be designed to meet Lafayette County standards for driveway width, sight distance, traffic control, and pavement design, as detailed on the accompanying plan set (Sheets C-000 through C-800).

7. Accompanying Plan Set

The following drawings accompany this narrative and are incorporated by reference:

Sheet	Title
C-000	Cover Sheet
C-100	Site Layout
C-101	Site Maps
C-700	Erosion Control Plan
C-800	Site Details

8. Conclusion

The proposed connection between the Rebel Gas Mart c-store and Cross Creek Drive is a modest improvement that benefits both the applicant and the adjoining Cross Creek residential community. The connection is supported by sixteen signed letters from Cross Creek residents and is designed to meet applicable Lafayette County access standards. The applicant respectfully requests approval of this site plan amendment.

Exhibit A – Letters of Support (16 signed letters, Cross Creek residents) – attached separately

Cross Creek Subdivision – CR 4066 Connection to Rebel Gas Mart

Date: 3-14-26

To Whom It May Concern,

I am a resident of Cross Creek Subdivision and understand the proposed plan to connect County Road 4066 to the Rebel Gas Mart convenience store property.

After reviewing the concept, I support this connection as it may improve traffic circulation, access, and overall connectivity in the area. I understand that this connection will be designed and constructed in accordance with applicable county and state standards.

I do not object to this connection and approve of the proposed access between CR 4066 and the Rebel Gas Mart property.

This letter represents my personal support for the project.
Respectfully,

Resident Name (Printed): Asaad A Alshaw Kani
Property Address: 223 Noah Loop
Signature: Asaad Alshaw Kani
Date: 3-14-26
Phone or Email (optional): _____

This letter may be submitted to Lafayette County, MDOT, or other reviewing agencies as part of the project approval process.

Cross Creek Subdivision – CR 4066 Connection to Rebel Gas Mart

Date: 3-6-26

To Whom It May Concern,

I am a resident of Cross Creek Subdivision and understand the proposed plan to connect County Road 4066 to the Rebel Gas Mart convenience store property.

After reviewing the concept, I support this connection as it may improve traffic circulation, access, and overall connectivity in the area. I understand that this connection will be designed and constructed in accordance with applicable county and state standards.

I do not object to this connection and approve of the proposed access between CR 4066 and the Rebel Gas Mart property.

This letter represents my personal support for the project.
Respectfully,

Resident Name (Printed): Aburn Brooks
Property Address: 310-1A CR 228 Oxford
Signature: Aburn Brooks
Date: 3-6-26
Phone or Email (optional): 462-816-9644

This letter may be submitted to Lafayette County, MDOT, or other reviewing agencies as part of the project approval process.

Cross Creek Subdivision – CR 4066 Connection to Rebel Gas Mart

Date: 1-15-2026

To Whom It May Concern,

I am a resident of Cross Creek Subdivision and understand the proposed plan to connect County Road 4066 to the Rebel Gas Mart convenience store property.

After reviewing the concept, I support this connection as it may improve traffic circulation, access, and overall connectivity in the area. I understand that this connection will be designed and constructed in accordance with applicable county and state standards.

I do not object to this connection and approve of the proposed access between CR 4066 and the Rebel Gas Mart property.

This letter represents my personal support for the project.
Respectfully,

Resident Name (Printed): Tom Nichols
Property Address: 530 East Street Taylor MS.
Signature: Tom Nichols
Date: 1-15-2026
Phone or Email (optional): 901-828-1866

This letter may be submitted to Lafayette County, MDOT, or other reviewing agencies as part of the project approval process.

Cross Creek Subdivision – CR 4066 Connection to Rebel Gas Mart

Date: 1/15/2026

To Whom It May Concern,

I am a resident of Cross Creek Subdivision and understand the proposed plan to connect County Road 4066 to the Rebel Gas Mart convenience store property.

After reviewing the concept, I support this connection as it may improve traffic circulation, access, and overall connectivity in the area. I understand that this connection will be designed and constructed in accordance with applicable county and state standards.

I do not object to this connection and approve of the proposed access between CR 4066 and the Rebel Gas Mart property.

This letter represents my personal support for the project.

Cross Creek Subdivision – CR 4066 Connection to Rebel Gas Mart

Date: 1-26-2026

To Whom It May Concern,

I am a resident of Cross Creek Subdivision and understand the proposed plan to connect County Road 4066 to the Rebel Gas Mart convenience store property.

After reviewing the concept, I support this connection as it may improve traffic circulation, access, and overall connectivity in the area. I understand that this connection will be designed and constructed in accordance with applicable county and state standards.

I do not object to this connection and approve of the proposed access between CR 4066 and the Rebel Gas Mart property.

This letter represents my personal support for the project.
Respectfully,

12. Consider the Planning Commission recommendation to approve the Blue Sky Development, LLC, Highlands Phase III Final Plat Amendment, Lafayette County Parcels 129-31-018.03 and 129-31-089.00, Intersection of CR 409 and Highlands Circle. (Tristan Riddell)

Lafayette County Development Services
Planning, Zoning & Building Inspection

To: Lafayette County Board of Supervisors
From: Tristan Riddell, Planner
Meeting Date: October 5, 2026
Case: 26-112

Applicant: Blue Sky Development, LLC
Request: Final Plat Revision – Highlands Phase III

Location: Intersection of Highlands Circle and CR 409 (Entrance to Highlands Subdivision)
Parcel Number(s): 129-31-018.03 and 129-31-089.00
PPIN: 30049 and 40873

Existing Zoning District: Residential Medium Density (R-2)

Background

Blue Sky Development, LLC requests to amend the Highlands Phase III Subdivision Plat, specifically the parcel delineated as Common Area #1.

The Highlands Phase III final plat was filed with Lafayette County in 2006. The original plat depicts Common Area #1 totaling 1.531 acres. The proposed revision adjusts Common Area #1 lot by reducing it by approximately 0.643 acres, resulting in a lot totaling 0.888 acres.

The revised plat for the Highlands Phase III will require a signature block for parties affected by the revision. The affected parties in this instance are those subject to the Highlands Homeowners Association.

Final Plat Amendment – Highlands Phase III

Article VI, Section 2 of the Lafayette County Land Development Standards and Regulations governs revisions to recorded plats. The Board of Supervisors may grant revisions on the recommendation of the Planning Commission and subject to terms and conditions deemed necessary.

Planning Staff Recommendation

Planning Staff recommends the revision to the Highlands Phase III plat be authorized subject to approval and signature from the Highlands Homeowners Association prior to recording.

Planning Commission Recommendation

The Planning Commission voted unanimously (4-0) to recommend approval of the Plat Amendment.

The Highlands Ph. III

PLAT AMENDMENT NARRATIVE

This plat amendment is being submitted to revise the previously recorded Phase III plat for The Highlands subdivision, originally submitted in 2006.

The original Phase III plat depicted a total area of **27.999 acres**. The proposed amended plat will revise the overall boundary of the Phase III property, resulting in a total acreage of approximately **27.356 acres**. This represents a reduction of approximately **0.643 acres** from the acreage shown on the original 2006 plat.

The proposed amendment specifically involves **Common Area #1** and revises the boundary of the common area as shown on the original plat. No additional lots are being created as part of this amendment. The purpose of the amendment is to accurately reflect the revised property boundary and corresponding acreage of the Phase III development.

All other aspects of the previously approved Phase III plat are intended to remain unchanged unless specifically shown on the amended plat.

07/22/2026

REVISED LEGAL DESCRIPTION OF THE HIGHLANDS-PHASE III (For Plat Amendment Approval)

THIS PROPERTY IS A FRACTION OF THE SOUTHEAST QUARTER OF SECTION 31, TOWNSHIP 8 SOUTH, RANGE 2 WEST, LAFAYETTE COUNTY, MISSISSIPPI. THIS FRACTION CONTAINS 27.356 ACRES, MORE OR LESS, AND IS DESCRIBED IN MORE DETAIL AS FOLLOWS:

STARTING AT AN EXISTING 1/2" IRON PIN ACCEPTED AS THE SOUTHEAST CORNER OF SAID SECTION 31, RUN THENCE NORTH 00°06'31" EAST A DISTANCE OF 311.40 FEET TO A 1/2" IRON PIN SET MARKING THE POINT OF BEGINNING OF THIS DESCRIPTION.

FROM THIS POINT OF BEGINNING, RUN THENCE NORTH 00°06'31" EAST A DISTANCE OF 1659.13 FEET TO A 1/2" IRON PIN SET ON THE SOUTH RIGHT OF WAY OF MISSISSIPPI HIGHWAY #6; THENCE NORTH 71°12'34" WEST ALONG SAID RIGHT OF WAY A DISTANCE OF 292.77 FEET TO AN EXISTING CONCRETE RIGHT OF WAY MARKER ON THE SOUTH RIGHT OF WAY OF COUNTY ROAD #409; THENCE SOUTH 79°53'29" WEST ALONG SAID RIGHT OF WAY A DISTANCE OF 259.52 FEET TO A 1/2" IRON PIN SET; THENCE SOUTH 15°16'08" EAST LEAVING SAID RIGHT OF WAY A DISTANCE OF 235.52 FEET TO A 1/2" IRON PIN SET; THENCE SOUTH 53°21'18" EAST A DISTANCE OF 195.14 FEET TO A 1/2" IRON PIN SET ON THE WEST RIGHT OF WAY OF HIGHLANDS CIRCLE AT THE PC OF A 145.00 FOOT RADIUS CURVE TO THE RIGHT; THENCE ALONG SAID RIGHT OF WAY CURVE AN ARC DISTANCE OF 32.52 FEET, SAID CURVE HAVING A CHORD BEARING OF SOUTH 26°55'36" WEST AND A CHORD DISTANCE OF 32.46 FEET, TO A 1/2" IRON PIN SET; THENCE SOUTH 33°21'08" WEST ALONG SAID RIGHT OF WAY A DISTANCE OF 97.62 FEET TO A 1/2" IRON PIN SET AT THE PC OF A 330.00 FOOT RADIUS CURVE TO THE LEFT; THENCE ALONG SAID RIGHT OF WAY CURVE AN ARC DISTANCE OF 78.97 FEET, SAID CURVE HAVING A CHORD BEARING OF SOUTH 26°29'47" WEST AND A CHORD DISTANCE OF 78.79 FEET, TO A 1/2" IRON PIN SET; THENCE SOUTH 19°38'26" WEST ALONG SAID RIGHT OF WAY A DISTANCE OF 86.23 FEET TO A 1/2" IRON PIN SET AT THE PC OF A 470.00 FOOT RADIUS CURVE TO THE RIGHT; THENCE ALONG SAID RIGHT OF WAY CURVE AN ARC DISTANCE OF 63.81 FEET, SAID CURVE HAVING A CHORD BEARING OF SOUTH 23°31'49" WEST AND A CHORD DISTANCE OF 63.76 FEET, TO A 1/2" IRON PIN SET; THENCE SOUTH 27°25'11" WEST ALONG SAID RIGHT OF WAY A DISTANCE OF 414.56 FEET TO A 1/2" IRON PIN SET AT THE PC OF A 630.00 FOOT RADIUS CURVE TO THE LEFT; THENCE ALONG SAID RIGHT OF WAY CURVE AN ARC DISTANCE OF 77.87 FEET, SAID CURVE HAVING A CHORD BEARING OF SOUTH 23°52'44" WEST AND A CHORD DISTANCE OF 77.82 FEET, TO A 1/2" IRON PIN SET; THENCE SOUTH 20°20'17" WEST ALONG SAID RIGHT OF WAY A DISTANCE OF 129.68 FEET

(Tristan Riddell)
15. Recess until October 26th, 2026 at 9:00 a.m.

Lafayette County Development Services
Planning, Zoning & Building Inspection

To: Lafayette County Board of Supervisors
From: Tristan Riddell, Planner
Meeting Date: October 5, 2026
Case: 26-313

Applicant: Atlas Oxford Flex I, LLC
Request: Rezone from Residential Low Density (R-1) to Commercial High Density (C-3)

Location: 600 Block MS Hwy 6 W (westbound)
Parcel Number(s): 148-27-053.00, 148-27-054.00 and 148-27-055.00
PPIN(s): 20446, 7548 and 7549

Existing Zoning District: Residential Low Density (R-1)
Adjacent Zoning Districts: Residential Low Density (R-1)

Background

Atlas Oxford Flex I, LLC requests the rezoning of approximately 14 acres of property currently zoned Residential Low Density (R-1) to Commercial High Density (C-3). The subject property is located on the north side of MS Hwy 6 W near the intersection with Lafayette County Road 171.

The applicant appeared before the Planning Commission during its April 2026 meeting seeking the rezoning of the subject property to Commercial Medium Density (C-2). The Planning Commission voted unanimously (3-0) to recommend approval of the rezone request. The rezone request was heard by the Lafayette County Board of Supervisors on May 18, 2026. A motion to deny the request was made by Tim Gordon and seconded by John Morgan. The vote on the motion was split (2-2). The request to rezone was denied due to lack of motion.

In accordance with Article XXI, Section 2106.06, Lafayette County Zoning Ordinance (LCZO) if application for rezoning a property is denied by the Board of Supervisors, that same property may not seek to be rezoned within one year of the decision. However, this provision does not apply if a request is made to rezone the property to a different use classification than previously heard, which is the case in this instance.

Criteria for Rezoning

In accordance with Article XXI, Section 2106.03, LCZO, a rezone of property shall only be approved if:

- A. There was a mistake in the original zoning; or
- B. The character of the neighborhood has changed to such an extent as to justify reclassification, and that there is a public need for the rezoning.

Furthermore, as outlined in Article XXI, Section 2106.04, LCZO, all rezoning requests shall be consistent with all four elements of the Lafayette County Comprehensive Plan.

The applicant states that the rezoning request is based on change along the MS Hwy 6 corridor entering Oxford including, the development of the Oxford Roundabout RV and Water Park, Caterpillar Equipment, Kizer Flooring, Hunters Hollow and other future projects within the corporate limits of Oxford. If rezoning is approved, the applicant intends to construct a commercial flex space project consisting of either one or two buildings totaling up to 35,000 square feet depending on site constraint. Each individual unit would total approximately 5,000 square feet.

Since the adoption of the LCZO, a few conditional use permits to allow for commercial uses have been approved further to the west of the subject property, as mentioned above. It is important to note that the conditional use granted to establish Kizer Flooring was issued in November 2018 and the site was contiguous with two existing commercial properties, both of which were in operation prior to the adoption of the LCZO. The uses in the general vicinity of the proposed rezone are strictly residential.

Rezoning must also be consistent with the Lafayette County Comprehensive Plan (LCCP). The Future Land Use Map does not show any projected change in the existing zoning classifications at or adjacent to the subject property. Furthermore, the Future Land Use Map fails to identify any new commercial use classifications along the entirety of the MS Hwy 6 corridor outside of the current City of Oxford corporate limits.

In addition to the Future Land Use Plan, any rezone request must be consistent with the goals and objectives set forth in Chapter III, LCCP. Planning staff finds the proposed rezone generally inconsistent with the following goals and objectives:

Visual Perception and Image:

Goal 1: Enhance and promote a community image unique to and supportive of Lafayette County's assets as well as the City of Oxford's and the University of Mississippi's assets.

Objective: Preserve the best of Lafayette County's rural resources (scenic views, rivers, streams, wetlands, tree canopy, and farmland) to the greatest extent possible in preparing for anticipated future growth and development.

Goal 2: Create and promote a community image unique to and supportive of Lafayette County's assets through adoption of proper ordinances and regulations.

Objective: Adopt a Zoning Ordinance for Lafayette County to help manage growth in urbanizing areas and rural areas alike.

Land Use Development:

Goal 3: Protect property values for future growth and assessed values for tax revenue.

Objective: Identify and determine a distribution of land uses that guide and control future residential, commercial and industrial growth.

Objective: Identify prime commercial areas based on transportation networks and access, public utility availability, and concentration of supporting land uses.

Based on the goals and objectives and the adoption of the Official and Future Land Use Map, the creation of commercial corridors along the major throughfares leading into the City of Oxford's municipal boundaries should be discouraged.

Public Notice/Public Comments

Rezone requests shall be heard at a properly notified public hearing (Article XXI, Section 2106.05, LCZO). Notice of this public hearing was posted on the subject property and printed in the Northeast Mississippi Daily Journal in advance of the Planning Commission meeting and Board of Supervisors meeting.

Adjacent landowners were properly notified by certified mail in advance of the Planning Commission meeting.

To date, Planning Staff has not received any written public comment.

There were no comments provided during the Planning Commission public hearing.

Planning Staff Recommendation

Due to the lack of change in character of the neighborhood and the inconsistency with the Lafayette County Comprehensive Plan, specifically the above referenced Goals and Objectives and the Future Land Use Plan, Planning Staff recommends denial of the rezone request.

Planning Commission Recommendation

The Planning Commission voted unanimously (4-0) to recommend approval of the rezone request.

REQUEST FOR REZONING APPLICATION

Name of Applicant: Atlas Oxford Flex I, LLC ("Atlas")
Property Address: Highway 6 West
Phone Number: 662-588-1890 Email Address: kyle@swaffordlawllc.com
Current Zoning District: R1 - Residential

Please select the type of amendment requested

(1) Amendment to the text (2) ☒ Amendment to the Official Zoning Map

(Please circle YES or NO)

DOES THE PROPERTY HAVE RESTRICTIVE COVENANTS? YES ☒ NO

(If YES, please attach a copy of restrictive covenants)

HAS THERE BEEN A PREVIOUS REQUEST FOR ANY ZONING ACTIONS AT THIS PROPERTY BEFORE?

☒ YES ☐ NO (If YES, please attach a copy of all decisions made by the Planning Commission and Board of Supervisors)

Requirements of Applicant:

1. Letter stating reason for requested zoning action
2. Copy of the written legal description
3. Site plan of property (must be in accordance the Lafayette County Subdivision Regulations)

Criteria for Rezoning: (Section 2406.03- Zoning Ordinance)

- A. That there was a mistake in the original zoning. "Mistake" in this context shall refer to a clerical or administrative error, such as a mistake of draftsmanship on the Official Zoning Map or incorrectly reflecting the Board of Supervisors' decision in the minutes. "Mistake" does not mean that the Board of Supervisors made a mistake in judgment in their prior zoning, such as not realizing the full import of the zoning classification or mistakenly placing the property in one classification when the evidence indicated that another would have been more appropriate.
- B. That the character of the neighborhood has changed to such an extent as to justify reclassification, and that there is a public need for the rezoning.

Applicant shall be present at the Planning Commission meeting. Documents shall be submitted thirty (30) days prior to the Planning Commission meeting. **Applicant is responsible for complying with all applicable requirements of the Zoning Ordinance.**

By signing this application, it is understood that permission is given to the Zoning Administrator to have a sign erected on subject property, given notice to the public that said property is being considered for rezoning.

Narrative in Support of Rezoning

Property: Parcels 148 -27-053.00, 148 -27-054.00 and 148 -27-055.00

The Developer, Atlas Oxford Flex I, LLC ("Atlas") has an option on approximately 2.9 acres of land west of Oxford on Highway 6. The property is currently zoned R-1 Residential and would like to request a rezoning to Commercial C-3. The request is based on the change along the Highway 6 corridor entering Oxford: i.e., Oxford Roundabout RV and Water Park, Caterpillar, Kizer Flooring, Hunters Hollow, and other future projects being considered in the Oxford City limited along the same corridor. The project is within nine hundred seventy feet (970') from Low Density Commercial on the north side of Highway 6 and the city limits as well as being eight hundred fifty feet (850') from Williams Equipment which is zoned Medium Density Commercial C-2.

Atlas proposes to develop an industrial flex space project in Lafayette County designed to address the growing shortage of small-scale industrial and service-oriented commercial space in the Oxford area. In recent years, much of the development activity in Oxford has focused heavily on residential and student housing. While that growth has supported the expanding population, it has also created a shortage of spaces suitable for local service providers, trade contractors, and small businesses that support the community's day-to-day needs.

As Oxford and Lafayette County continue to experience steady growth, development that supports both residential expansion and the service businesses that maintain that growth is increasingly important to a balanced local economy.

Atlas' proposed project is anticipated to consist of up to approximately 35,000 square feet of industrial flex space, depending on civil engineering considerations, setbacks, parking requirements, and the natural shape of the land. The development will most likely consist of a single building, though it may ultimately be constructed as two buildings if site conditions make that more appropriate.

The buildings are intended to be divided into multiple approximately 5,000 square-foot bays. Each bay is expected to contain approximately 1,000 square feet of office or showroom space for administrative use and product display, along with approximately 4,000 square feet of warehouse space for storage and operational use.

Potential tenants include HVAC companies, electricians, countertop suppliers, small e-commerce distributors, and other similar businesses. The goal is to provide functional, flexible space that supports the operations of local businesses that serve the residents of Lafayette County.

Projects like this are intended to provide practical workspace for skilled trades and small businesses that form the backbone of the local service economy.

With the approval of the Lafayette County Planning Committee, Atlas would be honored to contribute to the local economy by providing space that allows these businesses – many of which are traditionally family-owned or “mom and pop” operations – to grow, employ local workers, and continue serving the community.

By supporting the businesses that build, repair, maintain, and supply our community, the project aims to strengthen the local workforce and service infrastructure that Lafayette County residents rely on every day.

Statement of Prior Zoning Actions

Property: Parcels 148 -27-053.00, 148 -27-054.00 and 148 -27-055.00

Prior Zoning Actions

Planning Commission: April 27, 2026. 3-0 in favor of rezoning from R-1 to C-2.

Board of Supervisors: May 18, 2026. 2-2 decision regarding rezoning from R-1 to C-2. Split decision deemed Denial.

SINGLE BAY FLOOR PLAN

Total Bay Size: 50' x 100' (5,000 SF)
Office Area: 20' x 50' (1,000 SF) | Warehouse Area: 50' x 80' (4,000 SF)

FIVE BAY FLOOR PLAN

Total Building Size: 250' x 100' (25,000 SF)

Each Bay Size: 50' x 100' (5,000 SF) | Office Area: 20' x 50' (1,000 SF) | Warehouse Area: 50' x 80' (4,000 SF)

OWNER ACKNOWLEDGMENT AND CONSENT

Proposed Commercial Development — HWY 6 E, Lafayette County, Mississippi

The undersigned is the current owner of certain real property located along Highway 6 East, west of Oxford, in Lafayette County, Mississippi (the "Property").

The undersigned acknowledges that it is aware of the Applicant's proposed application to rezone the Property and hereby consents to the filing, submission, processing, and consideration of such rezoning application by Lafayette County and any other applicable governmental authority.

This acknowledgment and consent is intended to confirm the undersigned's authorization for the Applicant to pursue the requested rezoning of the Property.
